CHICAGO POLICE SCANDAL.

Chief O'Neill Tells of Confession of Accused Detectives.

Chicago, Aug. 28.—The connection of Sergeant Cramer, Detective Tracy and Lieutenant Joyce with the bogus expense account which has enveloped in scandal the detective bureau and its chief, Captain Colleran, was told yesterday by Chief of Police O'Neill, who took the stand during the afternoon session of the civil service commission, sitting as the trial board to investigate the matter. The denouement created a sensation when Chief O'Neill told of the confession of his subordinates. The chief also told how Captain Colleran and Lieutenant Joyce, as he alleges, received their share of the spoils. The only thing not revealed was the source of information that led to the unearthing of the scandal. Attorney Gash, representing Lieutenant Joyce, made many attempts to confuse the evidence of the chief of police. Gash charged that the chief was making false statements and said that the witness was actuated by an unfriendly feeling toward Lieutenant Joyce, all of which Chief O'Neill denied indignantly.

OIL GUSHER KILLS ANOTHER.

Peter Gallagher Drowned in Attempt to Control Beaumont Geyser.

Beaumont, Tex., Aug. 28.—The Paciffic-Beaumont oil well is still throwing a stream of petroleum 70 feet high and it has added the death of another to the two it caused yesterday. Peter Gallagher and two companions about 2 o'clock went into the spray of gas and oil and Gallagher was drowned. F. W. Chase, an expert submarine diver, came in from Galveston yesterday morning. He found no difficulty in staying in the spray while encased in his diving suit, but he had to work slowly. At 7 p. m. the pipe had been raised sufficiently to permit the unscrewing of a joint. This will be done today and it is believed that the well then will be closed with little difficulty.

REPUBLICANS OF NEBRASKA.

Delegates Assemble at Lincoln for State Convention.

Lincoln, Aug. 28.—The Republican state convention, which meets this afternoon, will, from surface indications, be a short and harmonious meeting. Nebraska elects but three state officers this fall, an associate justice of the supreme court and two regents of the University of Nebraska.

The contest for first place on the ticket has been at no time exciting. Among the active aspirants for the nomination of the supreme court justice are S. P. Davidson of Johnson county, W. H. Sedgwick of York, W. W. Keysor of Douglas, S. T. Dickinson of Burt, J. B. Barnes of Madison, E. C. Calkins of Buffalo and District Judge H. M. Grimes of Lincoln county. For regents of the university one name only has been prominently mentioned thus far, that of Carl J. Ernst of this city.

The platform will strongly indorse the acts of the national administration and congratulate the party in Nebraska on its victory last November. The administration of Governor Savage will probably be commended, though a resolution may be introduced censuring him for the parole of former State Treasurer Bartley. This is the only question likely to disturb the harmony of the convention. Judge Ben S. Baker of Omaha will be temporary chairman.

Still Ballots for Senator.

Webster City, Ia., Aug. 28.—The Thirty-seventh senatorial district Republican convention, which met in adjourned session here yesterday afternoon, has taken 3,336 ballots. There has been no change from the routine: Wallace of Hardin, 20; Brinton of Hamilton, 17; Hartshorn of Wright, 16.

Heiress Kidnaped in Chicago.

Chicago, Aug. 28.—Margaret Lyler, 7 years old, and reputed to be heiress to $100,000, was kidnaped yesterday from the home of Mrs. M. E. Green, at 2345 Magnolia avenue, where the child had been cared for since her mother died, a week ago. Her captor, driving at breakneck speed, was pursued by policemen in a patrol wagon to Ravenswood, a distance of two miles, where the officers' horses were distanced and all trace of the kidnaper lost.

Frankfort, Ind., Aug. 28.—Al Kemp was fatally shot last night by George Matthews. Matthews is under arrest.

PARADE OF SIR KNIGHTS

Three Hundred Thousand Witness the Spectacle.

TAKE LOUISVILLE BY STORM.

Thirty Thousand Templars in Great Parade Which Opens the Triennial Conclave—Name of Schley Greeted With Enthusiasm on All Sides.

Louisville, Aug. 28.—It is estimated that 300,000 people witnessed the parade of the Knights Templar yesterday. Thirty thousand sir knights, in full uniform, were in line, forming an imposing spectacle with which to begin the 28th triennial conclave. The march started at 9:40 a. m. and was finished at 1:30 p. m., after covering a distance of four miles. The course was protected by wires strung along the sidewalks to keep the spectators in check. The weather was clear and cool, but by noon the heat became oppressive and there were 11 cases of prostration, due to heat and exhaustion. Sir Knight Irwin Batnard of Greenville, Ind., was overcome while marching. His condition is reported serious. The other cases were not serious. A portion of the Y. M. C. A. reviewing stand at Fourth street and Broadway collapsed. Half a dozen people sustained bruises. The crack commanderies of Chicago, Pittsburg and San Francisco attracted special attention by their magnificent appearance. Columbia commandery No. 2 of Washington came in for wild applause all along the route, as Sir Knight Rear Admiral Schley is a member of it and had been expected to march with his comrades. Although he was absent, at every point in the course, when the Washington men appeared, the crowd took up the cry "Schley, Schley, Hurrah for Schley."

Later when the formal welcome to the knights was extended by Judge Barker of Louisville, acting for Governor Beckham, and ex-Congressman W. C. P. Breckinridge, the mention of his name elicited applause so enthusiastic that both speakers were compelled to stop several minutes.

Colonel Breckinridge delivered the chief address at this function. Grand Master Lloyd responded briefly. The key to the city was presented to him by Mayor Weaver. It was so late when the program was completed that there was little time for the business of the commandery.

Fireworks, excursions on the river and other diversions occupied the visitors last night.

FAST EXERCISE FOR SHAMROCK.

Yachting Experts Say British Challenger Is Wonderful Boat.

New York, Aug. 28.—Shamrock II was given a good long spin yesterday, both inside and outside the Hook. She was tried in windward work and broad and close reaching. In fact the challenger was given everything except a spinnaker run in a breeze that sometimes piped up to 12 knots, and at no time was under eight knots. The good opinion of her speed, merits and ability to carry lofty canvas was emphasized. Many yachting experts who saw her performance call her a wonderful boat. All say she is the most dangerous proposition that has ever come after the America's cup.

She had life in her every minute. She gathers way with remarkable rapidity, is quick in stays, points high and stands up under a tremendous spread of canvas. It is said that the distance from the boot of the mast to the top of the topsail club is over 190 feet.

Whitecappers to Be Prosecuted.

Liberty, Mo., Aug. 28.—Whitecappers, who, on Friday night last, dragged Mrs. Etta Fiske from her house and ordered her to leave town, are to be prosecuted. Merriman Shelton, a blacksmith, has been arrested on a state warrant, charging him with complicity in the affair. Mrs. Fiske has identified him as the alleged leader of the gang, and her father is aiding her in the prosecution of the other members. Mrs. Fiske, who is a widow, had left her second husband, and it was for this that the whitecaps attacked her.

Sidewalk Gives Way, Score Hurt.

Chicago, Aug. 28.—By the collapse of a sidewalk crowded with men, women and children, who were watching a fire in Erie street, last night about a score of people were bruised and trampled upon in a wild scramble to get out of danger. The fire destroyed the warehouse of Sauer, Dwyer & Co., manufacturers of furniture, causing a loss of $70,000. Fully 20 persons fell when the sidewalk gave way, most of them striking on a pile of bricks and stones. The distance was over 20 feet.

Kaill will have supervision over the Kansas City territory. The Union Pacific agencies in Sioux City and St. Paul will be abolished and the business transacted through the general offices of the Union Pacific in Omaha.

FROM WEALTH TO POORHOUSE.

Reuben Jarrett, Formerly Among Dubuque's Richest Men, Dies Pauper.

Dubuque, Ia., Aug. 28.—Reuben Jarrett, at one time one of the richest men of early days in Dubuque, died at the poorhouse yesterday, aged 90 years. He was one of the pioneers, coming to Dubuque in 1836. He followed mining and after many years struck a lead which yielded him $100,000. He went from here to St. Louis, where he spent money lavishly. He bought a steamboat in St. Louis and ran it for pleasure up and down the river. His fortune was soon spent and for years he had been an inmate of the poorhouse.

GREAT WESTERN EXTENSIONS.

Ten Million Dollars Will Be Expended for Betterments.

Fort Dodge, Ia., Aug. 28.—President Colt of the Mason City and Fort Dodge railroad, in an interview, stated that Omaha and Sioux City extensions of the Great Western would be bgun with the opening of spring. Clarion-Hampton and Mason City-Manley Junction connections will be completed by the end of the year and trains will run on the Great Western from Fort Dodge to Chicago and St. Paul and Minneapolis by Jan. 1. The total cost of building to be done by the Great Western will approximate $10,000,000.

Temperance Lecturer Mobbed.

Zanesville, O., Aug. 28.—Rev. Samuel G. Bettes, a temperance lecturer, was mobbed by 500 men and boys last night while speaking in front of the court house. He made vicious personal attacks on several Zanesville saloonists in his speech and finally the crowd was wrought to such a pitch that a fusillade of sticks, stones and stale eggs were hurled at him. This was followed by several of the mob taking hold of him. He would undoubtedly have been killed but for the timely arrival of Chief of Police Tracey and a squad of police, who dispersed the mob and took Bettes to the city prison for safe keeping.

Victoria, Aug. 28.—The officers of the Empress of China, which arrived here today, report that a heavy typhoon raged in the China sea shortly before the vessel sailed and serious damage was done to many ships, a number of Chinese junks being destroyed and a number of villages on the seashore being devastated. Among the steamers which suffered were a large number of liners and the Russian steamer Finance Minister Dewitte was sunk by a large wave during the typhoon. The Katsuyame Maru was disabled and returned to Woo Sun almost a wreck.

Cured of Chronic Diarrhoea After Thirty Years of Suffering.

"I suffered for thirty years with diarrhoea and thought I was past being cured," says John S. Halloway, of French Camp, Miss. "I had spent so much time and money and suffered so much that I had given up all hopes of recovery. I was so feeble from the effects of the diarrhoea that I could do no kind of labor, could not even travel, but by accident I was permitted to find a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after taking several bottles I am entirely cured of that trouble. I am so pleased with the result that I am anxious that it be in reach of all who suffer as I have." For sale by J. G. Haeberle.
