The special meetings that have been in progress in the Baptist church of this city for the past three weeks by Evangelist Bentley closed last Sunday night. The meetings from the human point of view were a great success and we trust they may prove to be from the spiritual. There were 67 or 70 professed conversion or were reclaimed during the meetings. There have been 31 accessions to the church by baptism, and 8 by experience. Nine more have been received for baptism and the probabilities are that there will be several more yet. The church has been greatly encouraged.

A number will be baptized Sunday at the close of the morning Service. While here Rev. Bentley made a host of friends both in and out of the church and he is held in high esteem by all who heard him. Should he ever return he will be warmly welcomed by all who met or heard him. He left Monday morning for Sheridan Wyoming where he will commence a series of meetings Wednesday night and from there he will go to Friend. Rev. Bentley was with us three weeks. He did good, earnest, faithful work; and the people showed their appreciation of his services last Sunday by contributing between \$80.00 and \$90.00 as a free-will offering to him.
