Mange in Cattle and Horses

The Nebraska Experiment Sta-
tion has just issued Bulletin No.
54, on "Mange in Cattle and
Horses, and Lice on Hogs." The
bulletin contains illustrations of
the mite causing cattle mange,
animals effected with the dis-
ease, animals swimming through
the tank, etc., together with con-
struction of dipping plants for
cattle and swine. The bulletin
may be obtained free of cost by
residents of the State upon writ-
ing to the Agricultural Experi-
ment Station, Lincoln, Nebr.

Constipated Bowels

To have good health, the body
should be kept in a laxative con-
dition, and the bowels moved at
least once a day, so that all the
poisonous wastes are expelled
daily. Mr. G. L. Edwards, 142
N. Main St., Wichita, Kansas,
writes: "I have used Herbine
to regulate the liver and bowels
for the past ten years, and found
it a reliable remedy." 50c at
Ed. McComas', Broken Bow and
Merna.

Mrs. Fred Unrath,
President Country Club, Benton
Harbor, Mich.
"After my first baby was born I did not
seem to regain my strength although the
doctor gave me a tonic which he consid-
ered very superior, but instead of getting
better I grew weaker every day. My hus-
band insisted that I take Wine of Cardui
for a week and see what it would do for
me. I did take the medicine and was very
grateful to find my strength and health
slowly returning. In two weeks I was out
of bed and in a month I was able to take
up my usual duties. I am very enthusi-
astic in its praise."

Wine of Cardui reinforces the organs of
generation for the ordeal of preg-
nancy and childbirth. It prevents mis-
carriage. No woman who takes Wine
of Cardui need fear the coming of her
child. If Mrs. Unrath had taken
Wine of Cardui before her baby came
she would not have been weakened as
she was. Her rapid recovery should
commend this great remedy to every
expectant mother. Wine of Cardui
regulates the menstrual flow.

OUR EXCHANGES
(Anselby Citizen.)

Zack Amsberry, one of the old-
time settlers living near Mason,
was an Anselby visitor Monday.
Zack says that crop prospects are
the best he has seen for years.

C. J. Stevens and Jennie H.
Butler, of Seward, were united
in marriage last Monday night.
Mr. and Mrs. Stevens will make
their home at Anselby. The
Citizens extend congratulations.

During the last week in May,
Mike Carrol shipped sixty-six
cans of cream, while Howard
Kerr was a close second with 58
cans to his credit. This is a big
increase over the corresponding
week of last year, when there
were only eleven cans shipped.

Burglars broke into A. H.
Shepard's store Thursday night.
Entrance was gained by break-
ing a window pane in a door at
the rear, and reaching in and un-
locking the door. When Roy
came down to open up in the
morning he found a large quantity
of dry goods, clothing and shoes
scattered promiscuously over the
floor. He at once raised an alarm
and parties set out to track the
thieves, but without success. It
is supposed that they had a
wagon near Moor's barn in which
to load the booty, as a pair of
pants and a jacket which they
dropped were found near the
fence east of the barn. Mr.
Shepard is unable to tell just
what his loss is. This is the
fourth time his store has been
broken into. Sheriff Armstrong
came down on the noon train
Friday but was unable to obtain
a clue; however Mr. Shepard is
of the opinion that the thieves
do not live very far distance
from Anselby.

(Anselby Chronicle.)

Anselby was well represented
at the basket dinner held in
Covers grove by the Baptist
church of Mason City, last Sun-
day. After preaching services
in the afternoon about fifty were
baptised. The weather for the
occasion could not have been
bettered. Several hundred people
were in attendance.

John Lanum surprised his
friends last Saturday evening by
stealing off to Broken Bow, where
he and Miss Mary Kaelin were
united in marriage at the par-
sonage of the M. E. church, Rev.
Trites performing the ceremony.
A host of friends wish John and
his happy bride a long and happy
career. They have gone to house
keeping in the east part of town.

A severe storm visited this
section last night. The resi-
dence of J. H. Kerr was struck
by lightning. The chimney was
knocked down, shingles were
ripped from off the roof, and the
plaster in many places torn off.
At Mason City the storm was
more severe. A barn belonging
to Charles Duke was struck by
lightening and burnt to the
ground, together with two horses
and 100 bushels of grain. A
rain fall of 1 1/2 inches is reported.
A few miles below Mason a cloud
burst caused the washout of the
railroad track, delaying trains,
the midnight passenger arriving
here at 8 o'clock this morning.
Only a light shower of rain fell
in Anselby and vicinity.

(Mason City Transcript.)

J. J. Tooley of Broken Bow,

has been in Mason City the past
week, looking after the interests
of his general store here.

MARRIED—At Broken Bow on
Sunday, May 31, 1902, Mr. Rob-
ert Mark and Miss Myrtle Gates,
both of Round Grove. These
young people are well and favor-
able known to our readers in this
community and have a large cir-
cle of friends who join in extend-
ing congratulations.

Marion Foster and Miss Katie
Zoucha, both of St. Paul, this
state, were married at the home
of Samuel Weaver, Sr., east of
town, on Wednesday of last week
by Rev. J. R. Woods. The
groom is the youngest son of
Mrs. Weaver and is a young man
well known in this community.
He is proprietor of a barber shop
at St. Paul.

Memorial Day at Arnold.

Memorial Day at Arnold was
as usual well observed under the
auspices of Excelsior Post G. A.
R. At 10 a. m. a large proces-
sion of citizens escorted by the
drum corps and G. A. R. march-
ed to the cemetery when ritual
services were held around the
cenotapp by Excelsior Post and
W. R. C. The school children un-
der the direction of the latter
organization marched around it
and each deposited upon its base
a bunch of flowers. At 2 p. m.
the G. A. R. and W. R. C. es-
corted by the Drum Corps
marched to the Christian Church
which was filled to overflowing,
when the exercises were as
follows: Ritual service by G.
A. R. Recitations by school
children, which was interspersed
with beautiful and appropriate
music from a choir made up from
the choirs of the three churches
of this place. The oration was
by N. T. Gadd and for one and
a half hours he held his audience
spell bound. We have had many
excellent orations on Memorial
Day at Arnold, but no one has
excelled this in beauty of thought
and elegant patriotism.

RYNO

M. P. Empfield has bought a horse
and buggy.
Donnel's strawberries are ripe and
short cake is in evidence.
Range is fine. Alfalfa cutting has
commenced; it is a good crop.

Corn all planted and booming up. It
is a good stand; cultivating commenced.
Miss Ethel Wright closed a successful
six months term of school at No. 141
last Friday.

Donnel was disappointed in getting
a man to shear his sheep so he has rolled
up his sleeves and is shearing them
himself.

News scarce. I am reminded of the
Dr. who failed to cure his patient of
deafness. He consoled him that there
was nothing going on worth hearing.

W. S. Birge and Samuel Thomas are
hauling fence posts from Lodi. Birge
is well pleased over his change from
Iowa to Nebraska. Says his crops are
fine; oats are a good length and heading
out and he has recovered his health, as
he was afflicted with Asthma when he
left Iowa.

WESTERVILLE.

John Welch entertained a crowd of
people Sunday.

Rev. Pinckney's daughter Bessie is
visiting with Mr. Leech's family.

A splendid rain fell here Friday evening.
Crops look most encouraging.

Seth Johnson is busy these days, not
only with his farming, but in preparing
for that "Mens Social" which is to be
held on the 20th. His being at the head
of it insures its success. He has got out
a very attractive program and expects a
good attendance.

The Ladies Aid Society are determined
to beautify the parsonage and
to raise funds for that purpose they plan-
ed to celebrate the Fourth in Mr. Nelms
grove. They expect a crowd and are
well prepared to entertain them in a
manner worthy of the Glorious Fourth.

The parsonage kitchen was plastered
June 2nd by Y. G. Perkins and W. E.
Mathews. The Presiding Elder was
greeted on Sunday morning last at
Quarterly meeting by a crowded con-
gregation, who enjoyed his sermon great-
ly. Every visit he pays increases his
popularity.

ORTELLO.

B. W. Kellenbarger's spent Sunday at
Mr. Hunt's.
Edd Day and wife were in Ortello Sun-
day and Monday.

J. A. Kellenbarger went to the ranch
Monday to vaccinate cattle.

A. D. Hunt was quite sick the first of

the week, but is better at this writing.

Bert Wadlington is in the valley again.
He did not go to Colorado as he had
intended.

Some good work was done on the
roads last week, for which Grandpa Hill
should be given credit.

C. D. Day is building a barn on his
place. Charley believes in doing things
right; he is painting it as fast as he builds
it.

A daughter of Silas Beals, Mrs. Gray,
and her children arrived last week for a
visit with relatives here. She has lived
in Albion, Ia.

Mr. Garton arrived Saturday night
from Mason City Friday, for a few days visit
with relatives. J. C. Baker of Mason
City also spent Sunday at Ortello.

Children's Day will be observed here
next Sunday evening. The children are
being well trained and the exercises
promise to be better than usual.

E. D. Beals and wife came up from
Mason City Friday, for a few days visit
with relatives. J. C. Baker of Mason
City also spent Sunday at Ortello.

Fred Lamb, who has been working for
Sam Wadlington, shot a valuable dog of
Mr. Budd's and then left the country,
last week. It is certainly a blessing to
have such people leave.

Mr. and Mrs. Adamson Entertain.

Last Monday evening Mr. and
Mrs. Adamson entertained at
their home, the students who are
attending the University from
Broken Bow—the City High
School Seniors of '02, and a few
other guests. The evening was
pleasantly spent in playing
games. A large graphophone
also afforded considerable amuse-
ment. Refreshments were serv-
ed late in the evening, soon after
which the guests returned to
their homes. All who were
present report a very pleasant
time. Those in attendance were:
Libbie Brenizer, Fannie Drake,
Nellie Drake, Winnie Joyner,
Sarah Owens, Roscoe Baldwin,
Ray Armour, Harry Osborn, Ed-
win Myers, Arthur Myers and
John Lewis.

A Correction.

We are informed that the name
J. V. Arnick on the senatorial
delegation should have been T.
T. Varney of Anselby. In the re-
port Varney's name had been
written over an erasure, so it was
not legible to the typist that set it.

other of his charming evenings of
poetry and song at the Opera House

ago and will not fail to enjoy the

Hot Weather Weakness

If you feel fagged out, listless
and lacking in energy, you are
perhaps suffering from the
debilitating effects of summer
weather. These symptoms indi-
cate that a tonic is needed that
will create a healthy appetite,
make digestion perfect, regulate
the bowels and impart natural
activity to the liver. This
Herbine will do; it is a tonic,
laxative and restorative. H. J.
Freegard, Propr. Grand View
Hotel, Cheney, Kan., writes:
"I have used Herbine for the
last 12 years, and nothing on
earth can beat it. It was re-
commended to me by Dr. New-
ton, Newton, Kan." 50c at Ed.

Tax on Babies.

Extreme hot weather is a great
tax upon the digestive power of
babies; when puny and feeble
they should be given a few doses
of White's Cream Vermifuge,
the children's tonic. It will
stimulate and facilitate the
digestion of their food, so that
they soon become strong, healthy
and active. 25c at Ed. Mc-

A Splendid Remedy.

Neuralgic pains, rheumatism,
lumbago and sciatic pains yield
to the penetrating influence of
Ballard's Snow Liniment. It
penetrates to the nerves and
bone, and being absorbed into
the blood, its healing properties
are conveyed to every part of the
body and effect some wonderful
cures. Mr. D. F. Moore, Agent,
Illinois Central Railway, Milan,
Tenn., states: "I have used
Ballard's Snow Liniment for
rheumatism, backache, etc., in
my family. It is a splendid
remedy. We could not do with-
out it." 25c, 50c and \$1.00 at
