Congressman Hepburn was moved to attack it as merely a scheme to fasten an expenditure of \$750, 000,000 on the national Treasury, but we predict that long before a third of that amount has been disbursed for irrigation he and dozens of his sympathizers will have come to recognize their mistake in opposing it.

The Perfect Liver Medicine.

Mrs. M. A. Jolley, Noble, O. T., writes: "I have used Herbine for a number of years, and can cheerfully recommend it as the most perfect liver medicine, and the greatest blood purifier. It is a medicine of positive merit and fully accomplishes all that is claimed for it." Malaria cannot find a lodgment in the system while the liver is in perfect order, for one of its functions is to prevent the absorption of fever producting poisons. Herbine is a most efficient liver regulator. 50c at Ed. McComas' Broken Bow and Merna.
