FORT BLUNDER.

How it Was That Uncle Sam Bufft It on British Soil.

Curious indeed is an American fort Island near the foot of Lake Champlain, MIDWINTER EXCURSION TO about half a mile northeast of Rouse's Point, N. Y.

> A short time ago, when traveling in "Did you never hear of it?" I confessed Ignorance, and he explained matters.

It seems that after the war of 1812 the government of the United States Fort Montgomery was constructed at a cost of pearly \$500,000. It was an immense fortification for those days and was arranged for three tiers of

Just about the time it was completed the joint surveyors fixing the line be ty will have the choice of a number of at- tween the United States and Canada came along and, after doing a good bit of figuring, announced that Fort Montgomery was on Canadian soil. The the wintry blasts and coal bills at home is northern boundary of New York state was the forty-fifth parallel, and this If you contemplate going it would be fort was several hundred yards over well to advise me early. In the matter of accommodations, you know, "it's first come, first served."

the line. Work on the fort came to an immediate standstill, and the matter was made the subject of a special was made the subject of a special

> It was decided that in view of the fact that the United States had not intentionally encroached on Canadian soil the forty-fifth parallel should be bent a little out of its course at this point so as to include the fort. That is why the fort is called "Fort Blunder." It was pever armed and has never been occupied by more than one or two men. -New York Herald.

Custer County Republican

and the Nebraska Farmer one year for \$1.25. The Republican is the official paper of Custer county, and is the oldest paper in the county; and is an up-to-date newspaper. It was founded in 1882. It will continue in the future as in the past to faithfully chronicle and report all the home and neighborhood news, as well as to furnish weekly a budget of general news, entertaining miscellaneous reading and keen editorial comment on matters of current interest. It is in-

dispensable in the up-with-the-times home.

is the leading general farm and live stock paper of the west. It was founded in 1869 and has outclassed the dozens of rivals which, since that time, have been started in this territory, all others having died or been consolidated with the Nebraska Farmer, except the latest brood, hatched since 1900, which are merely political papers masque-rading under deceptive agricultural titles. Nebraska Farmer is ex-clusively agricultural, political matter and everything which divert attention from agricultural industry and home making are excluded from its columns. The editors and owners of Nebraska Farmer, each and every one, are practical farmers, owing land and farming or ranching in the west. It is a farmers' paper published by farmersmen who plow and plant as well as pen their thoughts and report

is published by men who have all their lives been doing the things they teach; no other farm paper is so closely in touch with the farm life of the west; no other farm paper can be so helpful to the farmers of the west, its 24 to 32 large pages, weekly, teeming with practical information and advice which will help to make the farm pay and the home pleasant. Nebraska Farmer is contributed to by all the leading thinkers and workers in agricultural industry. It gives all the new about agriculture and live stock affairs. The REPUBLICAN has succeeded in getting a special subscription price from the publishers of Nebraska Farmer. They have cut the best clubbing rate ever made almost square in two to accommodate us. Hence it is we can offer the
