**More Blooded Cattle.**

J. G. Brenizer recently purchased twenty one head of registered shorthorns which he has added to his herd south of town. The Nebraska Farmer has the following to say of the cattle he bought:

"Mr. J. G. Brenizer, Broken Bow, Neb., is building up one of the best herds of Shorthorns in Nebraska. He has just purchased some of the best cows out of the herd of O. P. Hendershot, Hebron, Nebraska, also the pure Scotch herd bull, 'Crimson Scott' winner in his class at the Nebraska State Fair, 1902, over Nebraska bulls. It took the snug fum of \$500 to carry off this fine youngster. Included in this purchase from Mr. Hendershot was Airdrie Queen 10th got by Lavender King 3rd 99024, at \$500; Ruby of Pine Valley, got by Lavender King 3rd at \$400; Bell Morrison, (pure Scotch,) got by Royal 2d 131244, at \$400; Fanny of Hebron, a two-year-old by Saucy Boy 126401, at \$250; Nonpareil Queen, a yearling by Nonpareil King 153467, at \$200; 1st Lady of Hebron, a yearling by Lavender Duke 119934, at \$150; and 4th Louan of Hebron, a yearling by Lavender Duke at \$150. This addition to his already fine herd of Shorthorns gives Mr. Brenizer a foundation from which the very best results may be expected. Mr. Brenizer is a man of sterling integrity, and with his love for the best blood money will buy we may look for a successful career as a breeder. It is worthy of note that Airdrie Queen 10th and Lady of Pine Valley are half sisters to Sweet Violet 2nd, sold to Col. Casey some time ago for \$3,705."

**Success Assured.**

At the call meeting of the Custer County Agriculture Society held in this city February

25 to elect a president and secretary to fill the vacancies made by the resignation of D. C. Konkel as president and E. C. House as secretary. L. H. Jewett was elected president and E. R. Purcell secretary. The election of these gentlemen practically assures the financial success of the Association this year. Their experience in the past will insure confidence with the public. We understand that the board of directors will endeavor to inaugurate a radical change in the premiums offered and that liberal premiums will be offered on cattle, horses and hogs as well as grain and vegetables raised on the farm. With the great interest now taken in the county in registered stock the board reasons that by offering liberal premiums on stock that a large exhibit in that class can be secured and one that will be a credit to the county as well as profitable. If this plan is carried out with the other usual attractions there is no reason why the county fair of 1903, should not be one of the best ever held in the county should the weather be at all favorable.

**A Big Deal**

W. A. George traded a section of land in Loup township last week to W. S. Swan for his entire stock of groceries, including both stores in this city. Mace Forsyth is manager in charge of the business. We understand that Mr. George will re-shelve the brick building on the corner and make room for his stock of dry goods he recently traded for at Friend and have them shipped here. For the present Mr. and Mrs. Swan will remain in the store on Fourth Avenue where Mr. Forsyth formerly occupied and wait on customers in this building for Mr. George and collect their old accounts. When Mr. George gets his stores com-

bined he will have one of the largest stock of general merchandise in the city. We predict for him a large share of the public patronage.

Robinson, a reader of the REPUBLICAN, found the hand bag containing its contents and seeing the advertisement brought them to this office Monday morning and received his reward.
