Unusually Beautiful.
The line of Diamonds, Single Stone and Combination Stone Rings deserve the very highest praise. Each ring possesses something which renders it peculiarly attractive. So much beauty may make a choice difficult, but whatever is chosen has its own attractiveness and good quality. These few items may be of use.

Florence Burke went to Ansley Friday last week for a few days visit.

The new postal cards are adorned with the picture of Wm. McKinley.

H. H. Hiatt, editor of the Sargent Leader was a city visitor Tuesday. This office acknowledges a friendly call.

D. J. Coulter of west table, made this office a friendly call Monday and had his subscription advanced several notches.

C. S. Martin returned Sunday morning from the east where he bought another car load of buggies for the Broken Bow trade.

Nc. George of Cumro, made this office a friendly call Tuesday. He was in the city attending the Assessors Annual meeting.

H. T. Coffman and son Harry of Mason City, were city visitors Saturday. They took home with them a fine buggy on which they saved \$20.00 by buying in Broken Bow.

Dr. J. L. Goodrich of Sargent, died Thursday of last week from cancer. The Dr. was one of the pioneers of that locality and was well-to-do financially. We do not know his age but suppose he was well along toward 80.

We note from the prices quoted in the Sargent Leader last week that they got ten cents the better of us last week on hogs, but as that is only the second time in several weeks that our market has been scooped, we predict it will be a while before it happens again.

MARRIED:—On Sunday afternoon March 15, at the home of Mrs. Lillie King in this city, Mr. Chester E. Green and Miss Nita Miller were united in marriage by Rev. S. P. Morris, pastor of the First Baptist Church. Mr. Green is a veteran of the Spanish American War, and highly esteemed among a wide acquaintance. The bride is a member of the First Baptist church and enters her new estate with the congratulations of her associates in Christian work. Mr. and Mrs. Green will live at Green, this county, to which place they repaired on the afternoon of the ceremony.

The minutes of assessors meeting are crowded out for want of space. Will publish them next week.

Wm. Harrell of Hoosier, was at the meeting of the County Assessors Tuesday representing Hayes township.

Henry Maxon, the Ansley Assessor made this office a friendly call Tuesday. He was made chairman of the Assessors meeting.

Lewis Kimberling and son Otis of Arnold, were welcome visitors at this office Tuesday. The former was attending the Assessors meeting.

MARRIED:—On March 15, 1903, at the residence of the bride in Broken Bow. Fredrick W. Dittmer and Lydia A. Lewis, both of Broken Bow. Judge J. J. Snyder officiating.

MARRIED:—On March 6th, 1903 at the residence of J. J. Snyder in Broken Bow, Alanzo J. Cason and Josephine Smith, both of Broken Bow. Judge J. J. Snyder officiating.

Rev. J. R. Woods closed a very successful series of meetings in the Holcomb Settlement Tuesday night. We understand that the membership of the church was doubled by the number of conversions.

After holding fourth again Monday the county board took an adjournment to look after the bridges damaged by the recent freshet. The damage sustained included more bridges than ever known before in the history of the county. Most of them can be repaired without great expense.

MARRIED:—March 8 at the home of the bride's parents Seth Crist of Kingston, Miss Susie to John Bray of Mason City. Rev. J. R. Teagarden officiating. The bride is one of Custer county's successful teachers, and the groom a young and successful farmer. The ceremony was witnessed by about 70 guests.

Rea Grass, the infant son of Mr. and Mrs. Frank Grass, died last Saturday night after several weeks of illness and suffering. The funeral was held Monday afternoon and the little one was laid to rest in the Broken Bow Cemetery, Elder Smith of the Christian church having the services in charge. The bereaved parents have the sympathy of all.

Kearney has about fifty good, inhabitable large and small residences unoccupied, with about 10 real estate men "rustling" for occupants.—New-Era Standard.
Better move some of them to Broken Bow where standing room is at a premium.

Trees! Trees!! Trees!!!

I am devoting considerable time to obtain trees, and also small fruit at wholesale prices to encourage tree and fruit culture in Custer county. There are 10,000 trees in a car load and small orders of ten or twelve trees will not go far in filling a car. Send in large orders.
WILLIS CADWELL.

A Big Deal.

R. Ryerson and W. A. George have formed a partnership in the mercantile business. The new firm has secured the double room and the one adjoining in the Realty Block, which they will occupy. This combination makes a strong firm financially and we understand that they will put in the largest stock of goods ever carried in Custer county. As a starter they ordered a car load of sugar yesterday. They expect to be in their new quarters by April 1.

DIED:—Matilda M. Heath was born in Rochester, N. Y. March 11th, 1822. She was united in marriage with Jessie R. Heath at the age of 22 years. She leaves to mourn her loss one daughter and 2 sons, one daughter having preceded her to the Spirit Land when quite young. She was a consistent member of the Congregational Church in Illinois, where she spent the greater part of her married life. With her husband she came to Illinois in the year 1855. In her 72 year she was permitted to celebrate her Golden Wedding with her relatives and friends. In the year 1897 her husband departed this earth. From that time on she was considerable of the time with her daughter who watched over her and so tenderly ministered to her wants in these last days of her life. The deceased was of a most congenial disposition and during these years which she spent with her daughter in our city she made many friends. Her smiles of welcome and sympathy will be remembered by many of us. She died at the age of 81 years and 5 days. Her hope was in the Saviour who said: "In my Father's House are many Mansions; if it were not so, I would not have told you. I go to prepare a place for you." We believe therefore that she has gone to that "rest" that "remaineth for the people of God."
We say with Lowell:

"Into the eternal shadow that guards our life around,
Into the infinite silence where with death's shore is crowned,
'Thou hast gone forth beloved' and I were mean to weep,
That those that left life's shallows, and dost pass'd the deep."

The funeral took place at the residence of J. J. Wilson on Wednesday afternoon at 3 o'clock. Rev. D. Augustus Shetler of the Presbyterian church officiating. The Presbyterian choir rendered some excellent music suitable for the occasion. The remarks of Rev. Shetler were based on Philippians 1:21.
