ARE NOT ALWAYS UP TO

## Theoretical Possibilities..

And it is likewise often easier to tear off a few yards of pleasing and instructive conversation than to subsequently make good on the main proposition. ### ALL THE NEW AND POPULAR WEAVES

### SPECIAL SALE OF LADIES SUITS.

#### A Man Found Dead.

Last Monday morning at ten o'clock the body of Mr. Sells an old man 85 years old was found dead south of Georgetown, near the county line. It appears that Mr. Sells and wife were living with their son. On Wednesday of last week he went to Woods, a distance of four miles on a visit. Some time after dinner he started to walk home. That was the last seen of him until his lifeless body was found by searchers on the date above mentioned. From tracking him it was found that he fell down a number of times before finally giving up. It appears he undertook to follow a fence but coming to a steep hill had to abandon the fence route. His body was only a few

feet from the road in high weeds when found. Darkness evidently overtook him and being bewildered he became exhausted. On an investigation of the facts it was decided that an inquest was unnecessary.
