**Gamblers Get In Trouble.**

Last Sunday evening Marshall Towsley and Sheriff Armstrong invaded the quiet precincts of the Second Story of the Cramer Restaurant and arrested F. R. Crable and John Hearity who were having a game of crap. They were taken before His Honor Police Judge G'Schwind Monday where they pled guilty to the complaint. They were fined \$30 and cost. The officers secured \$37 from the parties when they arrested them which was sufficient to cover expenses.

On being released by the city authorities they were taken before His Honor Judge Armour on a state charge. The defendants waived examination and the court required a bond for their appearance in the district court. Failing to give the required bond they were remanded to jail. Edward Barker, who a few weeks ago was tried, convicted and fined \$100, for gambling was also arrested Monday for gambling. His trial was postponed for 30 days on his own request. **DIED.**

OWENS—Monday night, Mrs. Owens, wife of W. A. Owens of this city, of heart failure, age, 46 years.

Mr. Owens had leased his farm for a year and moved to the city about a month ago. They had planned to go to Iowa about the first of May, and spend the year in visiting and travel. They had no children. The death is a sad blow to Mr. Owens, who had arranged with his wife a year of rest and recreation.

The funeral of the deceased will be held in the M. E. church,

at two o'clock today, and conducted by Rev. Bellis. The REPUBLICAN extends sympathy to Mr. Owens in his great bereavement.

**Our Young Men.**

The young men of this city have reason to be proud of the record that Mr. Darnell gave them in his lecture here Monday night. Mr. Darnell makes it a part of his business to secure the names of all the young men of the town where he lectures, whether they drink or not. He secured 96 names of young men of Broken Bow of 64 do not drink and 32 that do. He keeps the lists on file in his office as a matter of reference for his own benefit and for the benefit of others who may have cause, making inquiry of any young man in the towns which he visits. He promised to visit our city a year hence and bring the list with him as he now has it and make note of any individual changes that may be made in that time. The names of those who drink he secures from one who drinks, which enables him to secure the names of those who drink on the sly as well as those who are more bold. Nowhere in the state had he found so large a percent of young men that do not drink. In towns where saloons exist the majority is on the other side. One town in the county where he had been, where there is a saloon there were 38 that drink and 26 that do not.

**Committee Suicide.**

The REPUBLICAN is pained to announce the death of Seth Johnson of Westerville, who committed suicide last Friday night at Mason City by taking carbolic acid.

The deceased had previously been temporarily insane and it was while thus effected he committed the deed. He was sent to a neighbors to borrow a wire stretcher, but instead of returning with the object of his errand he walked to Mason City, a distance of 12 miles or more, where after going to the barber shop for a shave he went to his room at the hotel where he took the drug that ended his life. His friends telephoned over the neighborhood in their efforts to locate him when he failed to return, but did not succeed until it was too late to save him. The deceased was married and leaves a wife and one child, parents and several brothers and sisters to mourn his untimely death. He was a brother to Charlie Johnson, who was formerly in business in this city and the son of Ruben Johnson, one of the most highly respected citizens of the vicinity of Westerville. The REPUBLICAN extends the sympathy of the friends to the relatives in their great bereavement.

**Additional Local.**  
P. F. Campbell of Georgetown, was a city visitor Saturday.

Andrew has resumed his old position in R. W. Wilkins drug store.

P. G. Metcalf of Walworth, was a business caller at the office last Thursday.

John and Hugh Kenoyer left last Thursday afternoon on No. 47 for Bixby, South Dakota, they having chartered a car. They will locate at Bixby with the view of engaging in the stock business together. This community can not well afford to lose these young men and their families. They were most excellent citizens.

Ansley and Callaway gave majorities against saloons last Tuesday. The majority was 21 in Ansley and the vote two to one against in Callaway. Anselmo went wet by four votes and Sargent by twenty three. In a few more years, with faithful work there will not be a saloon in Custer, nor a county joining it. The saloon is doomed in Nebraska, nor is the day far off when it will be banished from the state.

W. H. McKnight, formerly of Butler county was a friendly caller at this office last week. Mr. McKnight has located near Berwyn where he bought a half section of land of J. E. Evans. He bought the land a year ago and when he arrived three weeks ago to take possession of his new purchase he was offered \$1000 for his bargain. Mr. McKnight has reason to think that Custer county land is a good investment.
