Public Improvement.

The citizens of the Third ward held a meeting in the office of Judge Armour Monday night for the purpose of effecting an organization with the object of improving that part of the city. Remarks were made by Humphrey, Martin and Dr. Day on the subject of improvement. On motion the meeting proceeded to elect officers by ballot. C. S. Martin was elected president and E. E. Wimmer, Secretary. On motion it was decided to name the organization the Third Ward Improvement Club. On motion of Reneau, the chair was authorized to appoint a "look-out" committee, one from each principal street running east and west, said committee to report at next meeting. ed to appoint a committee of five on subscription. On motion this committee was empowered, when appointed to appoint assistants to canvass such precincts and to towns, as it may deem advisable in the county, as may be necessary to secure the amount required. Methods and plans were discussed by Messrs Jewett, J. J. Wilson, Humphrey, Amsberry, Dr. Pickett, Rublee, Apple, Layton, Prof. Scott, Kay and others. On motion the chair was authorized to appoint a general committee of seven to have general supervision. The investigating committee previously appointed, viz: Reese, Humphrey, Amsberry and Rublee to be four of that committee. Those who visited the general opening of Ryerson & George Store last Saturday afternoon or night were able to see the benefits of liberal advertising. The large double store room which they occupy with a large stock of groceries and dry goods was filled all the afternoon and until after 10 o'clock that night with those called to take in the sights. The third room which is occupied with china ware and musical instruments was not forgotten by the visitors. The afternoon crowd was composed of those in from the country, the farmers and their wives. In the evening the people of the city thronged the place until it was difficult to move about in the rooms. A free drawing was an attractive feature of the afternoon and evening, which enabled all to draw a prize as a memento of the occasion. Several hundred articles were thus carried away by the visitors without money or without price. Music was a feature of the opening that furnished amusement for those who have an ear for it. Charley Robinson presided at the piano and Henry Honts worked the violin.
