## LOCAL MENTION.

J. J. Wilson and Geo. Palmer were at Lincoln last Thursday.

H. A. Sherman, cashier of the Sargent bank, was in the city Tuesday.

Byron Clark, an attorney of Plattsmouth, made this office a business call yesterday.

Cora Noonan went to Alliance Friday night to celebrate the Fourth and visit with friends.

Geo. Purcell of the Chief, has gone to Ireland on a visit. He expects to be gone several weeks.

J. E. Adamson went to Spirit Lake, Iowa, last Thursday to spend the Fourth, where Mrs. Adamson has been visiting.

Rev. Geo. P. Trites and W. B. Eastham went to Merna Sunday night and organized an anti-saloon league of thirty-eight active members.

Mrs. H. J. Shinn and children returned from Washington last Friday morning, where they have been visiting with their son and brother, Charley.

Wm. Sherman and J. D. Finley, two of the pioneer settlers of the vicinity of Sargent, were in the city Tuesday, as witnesses in the Brown-Spacht assault case.

W. G. and E. R. Purcell went to Omaha Tuesday morning to attend the meeting of the State and National Press Association. Mrs. W. G. Purcell accompanied them.

It is reported that some of our citizens who went to Grand Island to spend the Fourth, invested in a little experience while there. Experience is usually an expensive luxury.

Geo. B. Mair and wife came over from Callaway Monday evening, returning Wednesday morning. This office acknowledges a friendly call from Mr. Mair, who reports politics quiet in his vicinity.

The Old Settlers Picnic of the northwest part of the county will be held at Lindley's Grove, near Anselmo, next Wednesday, July 15th. This is an ideal place to meet and those who want a day off from business and a place of a fine shady resort will do well to attend the old settlers meeting next week at Lindley's Grove, renew old acquaintances and make new ones.

## Hail. Hail. Hail.

Hazel Jewett went to Lincoln Wednesday morning on a visit.

H. A. Watts went to Hyannis last Thursday evening for a few days visit.

Mrs. Peter Mohat is visiting in California. She accompanied her brother, who had been visiting her, that she had not seen before for 39 years.

Mr. and Mrs. Wallace of Council Bluffs, Iowa, arrived in the city Friday and will spend several weeks visiting their son, Frank, foreman in the Chief office.

Prof. W. W. Waters has authorized us to change the address of his paper from St. Paul to Columbus, from which we infer he has accepted the position of superintendent of the schools at Columbus.

Dr. T. W. Bass returned Sunday morning from a trip to the Pacific coast and states intervening. He was gone six weeks but did not discover any place that offered opportunities over Nebraska. His brother Elmer of Anselmo, accompanied him.

A. Z. Perrin of Sargent, made the REPUBLICAN office a pleasant call Tuesday morning. Mr. Perrin says that on nearing Broken Bow on the Sargent road he noticed that a decided changed condition of the crops from what were noticeable along the road farther away from town. The corn fields in particular he says are very weedy and the corn small compared with the corn from Dry Valley east.

The Fourth was a quiet day in Broken Bow. A large per cent of the citizens, who could, visited other localities, while those who remained enjoyed a quiet time at home or with neighbors. Old Glory waved from the flag staff in the park all day and a few business houses had flags on the front or had their buildings decorated with the national colors, which were the only indications that the great Independence day was passing in Broken Bow. The heavy rains on the days previous made the road so disagreeable that many who planned a drive to some part in the country gave it up. This had a tendency to increase the number that accompanied the band to Ansley by train. Both the morning and noon trains were well patronized. Three hundred tickets were sold for Ansley during the day. As the train was about 3 hours late returning those that went to Ansley had a good long day of it and no doubt were fully satisfied that they had their money's worth as they did not get home until about three o'clock a. m. The ball game between Broken Bow and Westerville at Ansley resulted in a score of 6 to 9 in favor of Broken Bow.

A BEAUTIFUL HEARSE FOR USE.

Pope Leo of Rome, is said to be dying, but he still retains consciousness.

Miss Jessie Tolley of Diagonal, Iowa, came in yesterday morning to visit her sister Mrs. H. E. Myers, south of the city.

The B. & M. railroad is having the ground graded for the purpose of extending the side track 1,000 feet west from its present terminus. John Henry has the contract for the grading.

Willis Cadwell returned last week from a two weeks visit in Illinois looking after real estate customers. The efforts the real estate men of Broken Bow are making to advertise the great opportunities Custer county offers home seekers in the east is worthy of commendation.

Rev. J. R. Teagarden, orator of the day on the Fourth at New Helena, informs us that there was a large crowd present. The grounds were in fine shape and that a pleasant day was spent. He compliments the people of New Helena very highly for their hospitality and the genial reception he received.

Attorney J. B. Smith and family left Wednesday for Exeter, where they go with the view of locating permanently. It is with regret the REPUBLICAN announces the departure of these good people. For the past ten years they have been residence of this city and in that time they have made a host of friends, who wish them success and happiness in their new home. The REPUBLICAN can heartily commend them to the good people of exeter.

Capt. V. C. Talbot Elected Colonel.

Capt. V. C. Talbot received a telegram Wednesday from Lincoln that he had been elected Colonel of the Nebraska National Guards by a unanimous vote. This is a great compliment most worthily bestowed. The boys that served under and with Capt. Talbot in the Phillipine campaign evidently have not forgotten him.
