Rev. Xanders and Alpha Morgan returned Sunday morning from a trip of ten days to Dome Lake, Wyoming. They report having had a fine trip and a pleasant time.

F. M. Rublee returned Friday morning from an extended visit in Iowa, in the interest of real estate deals. He informs us that there will be a number of land seekers from Iowa this fall looking for land in Nebraska.

Hail. Hail. Hail.

Farmers protect yourselves in the old reliable St. Paul Fire & Marine Insurance Co. We have \$3,000,000 cash capital and pay our losses promptly.

Ras Anderson, Agent. Broken Bow, Nebraska.

TAKE YOUR FARM EXHIBITS TO THE FAIR.

There is no better way of advertising the bumper crop than by taking farm products to the County Fair at Broken Bow, September 1 to 4. There will be a very large number of people from other states, in Custer county at this time, and a good showing will do more for Custer County than can be done by any other method of advertising. Your premiums will pay you for the trouble.

CAPTAIN HARDY AT THE FAIR.

Since Captain Hardy's last appearance at the County Fair, he has acquired the title to the champion rifle shot of the world, and he now holds it undisputed. Hardy, it will be remembered, made his first appearance in public at Broken Bow some years ago, and while his work at that time was marvelous, it is not to be compared with the wonderful shooting he is doing to-day. Captain Hardy will give exhibitions from a raised platform where everybody can see him, during the coming Fair, September 1 to 4. Among his most wonderful feats will be the breaking of 500 glass balls in fifteen minutes, with his Winchester and ball cartridge. He performs 100 of the most difficult feats in shooting.

Mrs. F. E. VanAntwerp and son, Myrhl went to Chicago Tuesday morning to visit a brother of Mrs. VanAntwerp, who is suffering from a gun shot wound received on the 3rd of July by robbers who attempted to rob the railroad station of which he was agent. While the wound was serious it was not necessarily fatal and he is improving with fair prospects of fully recovering.

In case the State Normal School Board find it best for the educational interests of the state to locate the normal school at Broken Bow, it will be of special advantage to the school to build a trolley line connecting Ord and North Platte with Broken Bow. This will place these two enterprising towns within an hour to an hour and a half's ride of the state normal school. With trolley lines of railroad to these towns and the advantages offered by the main line of the B. & M. road to the northwest and southeast, no other location in the state offers the central advantages as does Broken Bow.

Ed. McCOMAS DRUGGIST.

Supt. Lewis has made arrangements with the Wesleyan Male Quartette to give a musical entertainment to the teachers attending the Institute, Wednesday evening August 12. This Quartette is now on its sixth season of professional work. This company enjoys the pleasure of being highly complimented wherever they go for the excellence of the music rendered. Last season they sang at more than two hundred concerts. The American Lyceum Union of La-Cross, Wis., in commenting upon an entertainment given by the Wesleyan Quartette in that city says:

The concert given by the Wesleyan Quartette at the Y. M. C. A. last evening surpassed our expectations and was in every way the best entertainment of the kind ever given in this city. Our hall was filled to overflowing and our audience was delighted. The harmony of the voices and richness of tone was grand and inspiring. We shall call for the Wesleyans in making up our future programs.

This concert will be free to all teachers enrolled in the Institute. In order to meet the expenses incurred in securing the Quartette Supt. Lewis has issued a limited number of tickets which he will place on sale at 50 cents each. Only enough has been issued to pay the expenses of the entertainment, so those that want to enjoy this musical feast may be disappointed if they wait until the last day to procure their tickets.

Another One!

I have just received another car of those famous Buggies from the Rex Factory. Come in and look at the new styles. You fellows who want a wide seat and lots of leg room come and let me make you happy, and see something in the Buggy line that you will not find any other place in the county. I also have the kind of a vehicle for the fellow who carries a can of cream with him when he goes to town. I also have a number of good second hand.....

Buggies

for sale. Some of them as good as new. I will make you a price on them that will surprise you. If you buy your buggies of me you will get them fresh from the factory and something that has not stood around in the dust until the varnish has been ruined.

C. S. MARTIN, Mfg. Agt.

—AND DEALER IN— ANTI-TRUST GOODS.

BROKEN BOW

Business AND Normal College.

The fall term will begin Sept. 7, 1903. Pupils may enter at any time, but better work will be accomplished by being present the first day. Our school is complete in each department. We have the best equipments that can be found in the state for good work. We own our own buildings, site and equipment, and we are here to stay. We employ none but first-class teachers. Our school is different in many respects from the ordinary high school or university. We aim to develop the mind by teaching subjects that can be used in our every day life. Our school is not intended for those that have the time and money to spend six or eight years in getting an education. We select those subjects that a man or lady will use in their daily life whether in professional work or on the farm. To those that wish to get work after completing our course and preparing themselves for the work, we will say that there has been no difficulty in finding places. There is no better place to secure an education that will aid you in a practical way. There are many reasons why the young men and women of this locality and abroad should attend this school in Broken Bow. We have no saloons, no gambling dens, no bowling alleys, no place for idleness and vice. We have three complete courses: Business, Short-Hand & Typewriting, and Telegraphy. Tuition for Life Scholarship, \$60.00. Any two courses, \$100.00. Further information given upon application.
