Will Sargent of Round Valley, is being urged to be a candidate for supervisor from his district on the republican ticket. He is quite a successful farmer and is said to be quite popular in his community.

The United Peoples party in conference at Denver last week in endorsing the Omaha Platform reminded us of the tired man who on retiring pointed to the Lords prayer hanging on the wall and said "Them are my sentiments," instead of saying his prayers.

Cardinal Carseppe Sarto, Patriarch of Venice, has been elected to succeed Pope Leo. The new pope is quite popular with his people and his election to the head of the church meets with the approval of high church officials. He is sixty-eight years old.

The Becon continues to chew the rag because better wages are paid by the present county administration for clerk hire than

when pop officials held the offices. Were the Beacon editors farming they would no doubt prefer a drouth rather than to have to pay farm hands \$2.00 a day in hay harvest as many are doing now under republican administration. We have seen the day under demo-pop administration when farm hands could be had for half that sum.

The conference of the reorganizers held at Denver last week decided to enter the field of politics without the aid or consent of either of the old parties. The new party is to be composed of all the discontents of every political faith and J. A. Edgerton is to be chairman of the reorganizers. The Omaha platform was indorsed as the basis of reorganization and a resolution passed demanding that a national nominating convention to be held early in 1904 before the convention of either the republican or democrats. The democratic party which was so potent a factor in the campaign of 1896 and 1900 will be ignored by the new organizers. A party of fanatics and discontents was a drawing card when soup house and a financial panic was in vogue, but we very much question whether that element even with Edgerton, Allan and Weaver at its head will gather much strength under a republican administration and prosperous times.

The total amount of the excess fees turned into the county treasury under republican administration for the year 1902 by the county officers is \$4455. While it is true that two of the officers are not republicans they were working under republican administration and the prosperity of the country favored their offices the same as it did those held by republicans. It was not stated in resolutions passed by the Republican County Convention nor by the REPUBLICAN as the Beacon states that all the excess of fees or any part of it was turned in by republican officials. Westated what the excess of fees had been for the year 1902 under republican administration. It is the effect of the policy of the republican party that has brought us the prosperity and pops and democrats are alike enjoying this prosperity. It is because of this fact we advocate continuing the republican party in power.

Do We Want Another Rail Road.

The letters recently received by Mayor Purcell on the question of securing the new line of rail road proposed from O'Neil to North Platt recalls the rail road project of the citizens of North Platte, Albion and Broken Bow some fifteen years ago. That line was surveyed but never got any farther. It was intended at that time to extend the road to Sioux City and connect with the Chicago and North Western rail road but it failed for lack of finance. The proposition of Lyman Waterman is doubtless a revival of the former scheme and should it succeed would give us direct connection with Duluth and the Great Lakes. Mr. Waterman's claim that the proposed line would bring about great saving on freights no doubt is true. Many other advantages would be afforded by having two roads that are not now enjoyed. The township of Broken Bow can well afford to look into this matter and if the North Western is back of the project the township can well afford to offer liberal aid.

TWELFTH JUDICIAL DISTRICT.

Call For Convention To Nominate a Candidate for Judge.

The republican electors of the Twelfth Judicial District of the State of Nebraska are hereby requested to send delegates from the several counties comprising said district to meet in convention in the city of Grand Island, Neb., on Tuesday, August 25, 1903, at two o'clock p. m., for the purpose of placing in nomination a candidate for judge of said district to be voted for at the next general election, and for the transaction of such other business as may come before such convention.

The basis of representation is the same as that fixed by the state central committee for the state convention, giving the following number of delegates: Buffalo 18, Custer 19, Dawson 12, Sherman 6. Total 55. F. M. Hollowell, Chairman. E. D. Owens, Secretary.

Republican Supervisors Convention of the Fourth District.

The republicans of the Fourth Supervisors district of Custer county are hereby called to meet in delegate convention in the village of Anselmo, Neb., on Wednesday August 12, 1903, at 2 o'clock p. m. for the purpose of placing in nomination a candidate for the office of county supervisor of the 4th supervisors district to be voted for at the next general election to be held Nov. 3, 1903, and for the transaction of such other business as may come before such convention. The townships comprising said district are entitled to representation as follows:

Hays, 3; Victoria 6; Kilfoil 11; Cliff 6. Total 26. It is recommended that the delegates present cast the vote of township selecting them. Dated this 28 day of July, 1903. J. M. FODGE, Com.

The Wesleyan Quartette

The second entertainment of the lecture course given in the opera house last evening by the Wesleyan Male Quartette was the finest concert that has ever been given in this city, and could not but please any audience. They are each and everyone artists of recognized ability. If they ever again visit this city, which we hope they will in no far distant day, they will be greeted by a packed house. The entertainment committee on the lecture course was wise in securing this company on the program.—Evansville (Wis.) Review.

This Quartette has been secured by Supt. Lewis to give a concert for the benefit of the Teachers Institute now in session, Wednesday evening August 12 at the Opera House. Fifty cents admission will be charged, except teachers enrolled in the Institute who go free.

RYNO.

Ethel Riddle has engaged to teach school at No. 246, and Alice Shuman will teach the J. W. Conley school.

A son of Dr. Coffmans has homesteaded a quarter section south of the Abel Ranch and C. G. Empfield is building him a frame shack.

Arrangements are made to build a vestibule to the school house at No. 246 and enlarge the J. W. Conley school house. C. G. Empfield has the contract.

C. E. Meeker, who has gone to South Dakota has arrived there informs his family that he has homesteaded a quarter section thirty five miles north of Chamberlin. He says it is a fine country.
