Herd Headed By
Crimson Scot, No. 17,035.

J. G. BRENER, Breeder of
Pure Scotch and Scotch-Topped Short Horn Cattle. My herd numbers 40 cows. Will compare to breeding and quality with any west of Chicago. My experience has taught me that to raise good stock, feeding and care must be raised in this altitude. I expect to raise them here to the equal of anything raised in the U. S. I have 25 bulls suitable for this and next season's season. My cows weigh from 1400 to 2000 pounds. Come and see them.

Southern Fruit and Vegetable Growing

The fertile lands along the Louisville & Nashville R. R. in Alabama, West Florida and Mississippi are veritable bonanzas for the fruit grower and truck gardener. One man sold from one single acre, 100 barrels of radishes for \$900.00, gross; another patch of 4 acres radishes yielded \$1,463.00, net. In the spring of 1902, another truck gardener sold 300 barrels of potatoes in Pittsburg from 3 acres of ground for \$1,548, and after paying all expenses, cleared \$892.00, or \$297.33 per acre. Within two weeks after selling his potatoes, corn was up and watermelon vines were running on the same land. He harvested his corn, sold his melons, and afterwards cut two crops of hay off of the same land and on January 20, 1903, was planting it again in potatoes. Strawberries yielded from \$300.00 to \$550.00 per acre; as high as 12,480 quarts of luscious berries have been grown on a single acre. Address

BROKEN BOW, NEBR., SOME FACTS About the Great Custer County Fair

Captain Hardy at the Fair.

THE STREET FAIR AT NIGHT

Since Captain Hardy's last appearance at the County Fair, he has acquired the title to the champion rifle shot of the world, and he now holds it undisputed. Hardy, it will be remembered, made his first appearance in public at Broken Bow some years ago, and while his work at that time was marvelous, it is not to be compared with the wonderful shooting he is doing to-day. Captain Hardy will give exhibitions from a raised platform where everybody can see him, during the coming Fair, September 1 to 4. Among his most wonderful feats will be the breaking of 500 glass balls in fifteen minutes, with his Winchester rifle and ball cartridges. He performs 100 of the most difficult feats in shooting.

The Automobile Race.

For a number of weeks the fair management have been negotiating for an automobile contest that would make an exciting race and a real attraction. We now have it, the real thing, a two-mile automobile race that will be a thrilling scene. Thursday and Friday.

Big Races at the Fair.

The racing program for the Fair, to be held at Broken Bow, will be the best Custer county has seen in many years. The race track is in the pink of condition, and a large bunch of horses are in training at Broken Bow and in various parts of Custer county for this event.

\$3,500 Will Be Expended This Year

The Fair management announces that there will be expended in premiums for live stock, farm products, poultry, fruit, culinary, needle work and the other various departments, in racing and the elegant line of free attractions, and also in the various expenses of putting on the 1903 Fair, over \$3,500. This means a successful Fair, it means that everything that is advertised will take place, and that people who come, will be entertained as never before. No charge is made this year for teams and saddle horses to the grounds.

The Cowboy Carnival.

Led by Billy Binder, the Cowboy King, with a bunch of the best riders in the country and a herd of the wildest broncos that can be secured, will give you a touch of Western life at this fair that you will enjoy.

A Balloon Ascension

By one of the most daring aeronauts of the country will be a positive feature on Thursday and Friday afternoons. He will leap from the clouds in his parachute. This attraction will not disappoint you. The Balloon King, who makes the ascension, has the finest balloon in this country and claims to go higher than any living aeronaut. He frequently goes above the clouds, and will at this time if the day is favorable. This attraction goes rain or shine, the contract says so.

The Tandem Race.

There never has been a tandem race in Custer county, and this attraction at the September Fair will be contested for by a bunch of the best riders in the county. It will be exciting.

Big Shooting Contest at the Fair.

A shooting contest which is attracting unusual interest, has been arranged to take place at the County Fair in September between Captain Hardy, champion rifle shot, and three of the best shots in Custer county. Hardy is to break 200 glass balls in the air with Winchester rifle and ball cartridge, in less time than three men with shot guns can perform the same feat.

A SHAM BATTLE BY COMPANY M.

This will be a thrilling and novel feature. The militia boys are better drilled and put on a better appearance this year than ever.

If you have ever taken in the street fair at Broken Bow you will have just simply a conception of what this great free open air carnival event will be this year.

The free platform shows will be genuine attractions. Bands of music will play. The streets will be filled with Tent Shows, Dancing Pavilions, Merry Go-Rounds, etc., Rubber Balls, Confetti, Tin Horns, etc., will be in evidence. It will be a great big all-night carnival with brilliant illuminations.

No ruffianism or rowdiness will be permitted. Children and old people will be safe, and everybody will have a good time.

REDUCED RAILROAD RATES.

A fare of one and a third for round trip has been secured from all points between Ravenna and Alliance.

Bronco Riding.

The Fair management is fortunate this year in having secured

Billy Binder, the Cowboy King, of the West, who will give thrilling exhibitions of his wonderful skill in Bronco Busting each day. This attraction should not be underrated. It is genuine and is secured at great expense. Binder is a noted rider, who is well known throughout the cowboy districts of the West, and is the acknowledged king of them all. He will ride any wild or outlaw horse, big or little, old or young, brought on the grounds. Several "hot ones" are already secured, and we want more. Those who know of horses that have never been conquered will confer a favor on the management and the crowd by bringing them in. Billy Binder will ride them and do it gracefully. Any rider wishing to enter a contest with Binder will be accommodated.

A MACHINERY EXHIBIT.

Such as you never have seen at the Fair will be one of the attractions this year.

CREAM STATION.

If you are interested in Custer County's great and growing industry, look up the cream stations on the ground.
