J. O. TAYLOR'S RECORD.

Personal Acquaintance for Thirty eight Years Clears the False Imputation Of His Political Enemies.

STATE OF NEBRASKA, CUSTER COUNTY.

Ole Johnson being first duly sworn on his oath states as follows:

That for the purpose of contradicting certain false and vicious statements made by irresponsible persons for the purpose of injuring the good name and reputation of John O. Taylor, the republican candidate for sheriff of Custer county, the said Johnson hereby states that he has known John O. Taylor intimately and well since the year 1865. That he first knew Taylor as a boy 11 years of age and from 1865 to 1879 Taylor and this affiant lived within two miles of each other near Blue Earth City in Fairbault county, Minn. That in 1879 affiant and Taylor removed from Minnesota to Custer county, Nebraska, and each has been a resident of Custer county for the past 24 years. That during all the time affiant has known the said John O. Taylor from a boy 11 years to a man 49 years of age he has been known by no other name than that he is now known by, viz: John O. Taylor. That affiant personally knows that from a boy 11 years of age to the mature man 49 years of age, John O. Taylor has at all times conducted himself honorably and upright before God and man and has won and held the respect and esteem of his neighbors and friends. That all stories and statements to the effect that John O. Taylor changed his name at or before the time he settled in Custer county, and that he left Minnesota under a cloud, and that there is a dark page in his former history and life, is personally known to this affiant to be purposely and maliciously false and untrue and made for the purpose of defeating him in his candidacy for sheriff by designing politicians who are politically opposed to him. That for the 38 years that affiant has known Taylor, he has never known him to do a wrong act or defraud anyone out of a farthing. That Taylor has never been sued and has given no one occasion to bring suit against him to affiant's knowledge. That when Taylor came to Custer county his personal effects and property were brought by affiant in a wagon and that Taylor had neither wagon nor team and that what property he now has he has accumulated here. That affiant knows that when Taylor left Minnesota he owed no one anything and that no trouble or suit was occasioned by his leaving there and that any and all stories, statements and charges made against him, the said John O. Taylor, to the contrary or in any way connecting with him, the said John O. Taylor, with a dishonest or disreputable act are maliciously false, unjust and untrue. That affiant's address is Round Valley, Nebraska, and he stands ready to answer any and all questions effecting the honor and integrity of his friend and neighbor, John O. Taylor.

OLE JOHNSON.

Subscribed and sworn to before me by the said Ole Johnson, this 21st day of September, 1903.

WEISSERT.

The people of Weissert had the pleasure of hearing the Hon. Thomas Darnell of Lincoln, on September 13th, both morning and evening at Weissert M. E. church. In the morning, Subject, "Christian Citizen." In the evening he addressed the young men. It is perhaps needless to say that all of our good law loving and law abiding people who heard him were benefitted and encouraged by listening to that true and courageous champion of the temperance cause. Although the weather was unpleasant a good audience was out in the morning, and in the evening almost a full house. The collection taken we understand amounted to \$9.68. How we wish that a mighty army of strong, true Christian men might arise and by their united energies forever banish this lawlessness of Sabbath desecration, and this liquor traffic and those other glaring evils that are permitted to exist under our government.

GREAT SHOW.

Campbell Brothers Greeted by Large Crowd and Present a Good Show.

North Platte Telegram: The Campbell Brothers arrived in this city Sunday morning with their circus consisting of 22 large cars and unloaded their animals and tents on the show grounds north of the tracks. Hundreds of people were there to see them unload. The mammoth new canvas tents are the largest ever seen in this city. The parade left the grounds about 10 o'clock and was one of the finest and most up-to-date we have ever witnessed. At the afternoon performance the big tent was packed to its capacity and judging from the hearty applause which greeted all the high-class acts in the rings and midair we must say that the Campbell Bros. are strictly in it this year. No gambling, grafting or games of chance are allowed upon the show grounds, and the circus is conducted upon a moral and business principle. The help of this circus seem to be perfect gentlemen and have conducted themselves as such while in the city.

Campbell Bros' show will exhibit in Broken Bow on Tuesday September 19. 14-15
