Are you from Missouri? If so, I can show you. There is a buggy concern that just unloaded a car of buggies, with the expectation of trailing them through the country. Now I have told you all this summer in my adds that I could sell you a buggy Cheaper than you could buy it anywhere in the United States, and I meant every word I said. Now I want to make you this proposition: That I will sell you a Buggy, Spring Wagon, Carriage or Road Wagon

10 Per Cent Cheaper

than this concern that is trailing buggies through the county. Now this is just a simple business proposition. You want a Buggy and you want to buy just as good a Buggy for as little money as you can, and all I ask is the chance of showing you that what I say is true. Now when they call on you, don't complete your deal until you come in and see me. They have buggies here in town and the comparison as to price, workmanship, material and finish can be made. The time to buy anything is when every body else is wanting to sell. Now if you will give your home dealer a chance, there will be a hot time in the Buggy business in Broken Bow.

LOCAL MENTION.

I have \$5,000 to loan on well improved farms.

Mr. and Mrs. Ulyses Owens of Oconto, are the proud parents of a girl that arrived at their home last Friday.

Mrs. May Johnson of Anselmo, and Mrs. X. Snyder of this city, left Tuesday on a visit to St. Joseph, Mo., and points in Kansas.

J. M. Betts reports a girl at his home and that she sings soprano. It is the first girl and Mr. and Mrs. Betts are justly proud of the happy event.

Mr. and Mrs. L. R. Dowse of Comstock, made the REPUBLICAN office a friendly call yesterday. They were the prize winners at the old settlers meeting for being the oldest settlers in Custer county. Many are the old set-

ters that have enjoyed the hospitality of their home, among whom the writer is one.

Dinner and supper of the very best viands will be served on Election Day by the Ladies of the Baptist Church. 17-20
