WOMEN WANT TO ENLIST

Offer Services at Patriotic Meetings Held in Bogota.

AWAIT NEWS FROM GEN. REYES.

If Colombian Envoy's Mission Fails Government Will Continue to Send Troops to Isthmus-Hope Congress Will Avoid Conflict.

Bogota, Dec. 23.-Patriotic meetings are being held here every evening, at which contingents of men and sums of money are offered to the government. Even the women demand to be enlisted for the purpose of going to Panama to subdue the separatists. The government only awaits news from General Reyes and if that news is to the effect that nothing can be accomplished by diplomatic means. then the authorities will continue to send troops toward the isthmus. The government and people hope that the United States congress will avoid a conflict and they rely on the fairness | 25 tf of the American press.

Washington, Dec. 23 .- "Refusal by the United States to consent to a proposition from Colombia for a reference of the Panama question to The Hague tribunal is expected and will be fully approved by the European powers." This statement was made to a representative of the Associated Press by an European ambassador of high rank and influence. It has already been made in substance, though in rather more diplomatic language, to General Rafael Reyes, the Colombian minister, who is expected in his forthcoming note to the state department to suggest The Hague tribunal as the proper place for the settlement of the isthmian problem. Whether the knowledge that the refusal of such a request so far from prejudicing the European powers against the Washington government will call forth their emphatic endorsement, will cause General Reyes to modify his note, is not yet certain.

At the navy department the statement is made that the instructions to the naval commanders in isthmian waters to "prevent the landing of forces with hostile intent," have not been modified. These instructions, it is believed, are sufficiently comprehensive to enable the commanders to maintain open transit across the ischmus and to protect the new republic from Colombian expeditions.

ADMIRAL WALKER RETURNS.

Commissioner Talks About Canal Affairs on Isthmus.

Washington, Dec. 23.-A full and detailed report of the condition of affairs on the isthmus as he saw them will be made to President Roosevelt by Admiral John G. Walker, chairman of the isthmian canal commission, who returned to Washington from Colon. The admiral's stay on the isthmus covered a period of about four weeks, during which he went over the ground very thoroughly, particularly with reference to the condition of the canal property. Admiral Walker went to Colon as the representative of the president soon after the republic was proclaimed. "The Panama government," he said, "is composed of excellent, capable men who have the confidence of the people. Everything is orderly and quiet and had I not known that a revolution had taken place before I arrived, there was nothing to show there had been any change. The government officials express confidence that the coming legislative executives will indorse the rattfication of the canal treaty."

The admiral said the isthmians have no fear that the Colombians will attempt to reconquer the country.

INDICT GILLESPIE FAMILY

Four Arrests in the Rising Sun Murder Case.

ACCUSED OF KILLING SISTER

James Gillespie, the Dead Girl's Twin Brother, is Alleged to Be the Principal-Others Are Charged with Being Accessories.

Rising Sun, Ind., Dec. 23 .- In its report of the investigation of the assas sination of Miss Elizabeth Gillespie on Dec. 8, the grand jury returned true bills of murder in the first degree against James Gillespie, a twin brother of the murdered woman; Miss Bell Seward, her widowed sister; Mrs. Carrie Earbour and Myron Barbour, her husband. Mrs. Barbour is a sister inlaw of Dr. William Gillespie, brother of the murdered woman. Bench warranta were issued immediately by Judge Downey. The Gillespies were expecting the arrests and Dr. Gillesple drove to the home of the accused in a closed carriage and brought the indicted persons to the court house, surrendering all of them to the court A newspaper photographer attempted to take a snap shot of the party and was struck by James Gillespie, who broke away from Sheriff Rump, and knocked the camera from the hands of the newspaper man. The four in-21tf dictments were read to the accused. They showed no emotion, with the exception of Myron Barbour. The in dictments charged them with causing the death of Elizabeth Gillespie. A conspliacy among the members of the murdered woman's own family to kill her is charged. James Gillespie, her twin brother, is the one who is charged as the principal, although all are charged with murder in the first de-

> The penalty under the Indiana stat utes is death for accessories, as well as the principal. The two women were admitted to bail in sums of \$10,-000 each.

James Gillespie and Myron Barbour were refused ball and remanded to jail. Crowds followed the two men as they were taken to the county jail near the court house by Sheriff Rump and Marshal Overly. An extra guard was placed in the jail for the night. All the pent up excitement and strain under which the people in the city have been laboring for two weeks willing to let the law take its course

BURNESS MUST DIE IN CHAIR. Doomed Man Wishes Jury That Con-

victed Him a Merry Christmas. New York, Dec. 23.-With a verdict that sends Frank H. Burness, a Parties having business per- self-confessed murderer, to the electric chair, a jury before Judge Crane endder trials heard in Brooklyn for months. Burness' fourth murder was committed on Nov. 10 tast, when he shot Captain George B. Townsend of the schooner Charles K. Buckley This and other killings were calmly described by Burness on the witness stand, and the murderer insisted that he did the deed with premeditation and in a full realization of the conse-

quences. The jury brought in a verdict of murder in the first degree. Burness smiled broadly when the jury was being polled, and asked the judge if he would be permitted to say something. On being given the privilege, he said:

"There may be an idea in the minds of some of the jurors that I hold a grudge against them for having found me ruilty. I wish to say that I do not feel in that way in the sligatest, and (laughingly) all I can say is I wish them all a merry Christmas."

MAY HAVE KILLED TWO BOYS. Keckuk Lad Accused of Murdering Playmates.

Ia., Dec. 23.—Arthur Keokuk. Humphrey, a fourteen-year-old boy. now in the police station here, may be held for the murder of Paul and William Stice. The three boys were playmates, but during a recent quarrel Humphrey threatened to kill Willlam Stice. He tried several times to entice him on the ice, but Stice's mother prevented his going. The two Stice boys and Humphrey disappeared Monday afternoon, Humphrey returning in the evening, but nothing more has been seen of the other two. Humphrey was arrested and confessed that the boys were drowned. He says they crossed the river late in the aft ernoon, that he struck William and knocked him down, then chased him to strike him again and the boy ran into an air hole. The younger brother attempted to rescue him and the two sank together. Humphrey's mother is dead and his father is serving a term of twenty years in the penitentiary.

Procession Marked by Some Unusual Features-Dead Wagon, Used as a Hearse, Placarded with Notice that Undertaker Pays Scale.

Chicago, Dec. 23 .- The Liverymen's association decided that unless a peaceable settlement of the drivers strike was reached tuday, they would open for business with nonunica employes and would appeal to the course for an injunction to prevent the strik ers inteffering in any manner with the driving of carriages or hearses. Word of the injunction proposal reached the strikers just as a vote had been completed as to submission o the issues in the controversy to arbitration and the action of the em ployers was bitterly criticised by the

The striking drivers declined to an bitrate and the joint association of livery owners and undertakers then announced that they would resume business as usual. They will ask for police protection, particularly in the management of funerals.

The first "union labor funeral" was 2 held since the strike began. The funeral was arranged by Undertaker 67. M. Marks, the body of the decedent being removed in a "dead" wagon bearing a placard proclaiming the vehicle to be owned by an undertaker paying the union regie. It was also the first funeral in which a procession of carriages was supplied to carry the mourners. There were six carriages, labeled like the improvised hearse.

WILL SEND IDLE MEN TO JAIL. Given Alternative of Leaving District

or Going to Bull Pen. Victor, Colo., Dec. 23.-Major Thomas McClelland refused to accept

service from Deputy Sheriff Frank Herbert in a civil case brought by Patrick H. Mullaney for \$100,000 damages against Governor Peabody, Gen eral Bell, Colonel Verdeckberg and Majors McClelland and Naylor. Major H., A. Naylor, in command of

the district during the absence of Colonel Verdeckberg, made the statement that owing to the large number of idle men throughout the district an order 8 would be issued next week that all those having no employment or visible means of support would be given the alternative of going to work, leaving the district or going to the bull pen for an indefinite term.

Alleged Rioters Indicted.

Chicago, Dec. 23.-Two officials and three other members of Franklin union of pressfeeders were indicted by the grand jury, the specific charge against them being riot. The two officials indicted are Charles Woerner, president of the union, and John Shea, treasurer. It is said the indictments were found on the strength of affidavits made by men who suffered from violence during the pressfeeders' strike. Efforts on the part of the jury to secure similar evidence against the officials of the street car men's union did not prove so successful. It was found difficult to secure any evidence tending to show that officials of the

union urged their men to violence. Restaurant War at Duluth. Duluth, Minn., Dec. 23 .- There is a fight on here between the regular restaurants and their employes and union labor generally against numerous Chinese restaurants. H. B. Coon, local king of the Chinamen, applied to the federal court for an injunction against the union labor people and others, and it was issued. This abolishes the pickets, prevents further combinations to work against the Cninese restaurants and the use of threats. The Chinese are after the best restaurant locations and are willing to pay high rents.
