

CUSTER COUNTY REPUBLICAN.

ESTABLISHED 1882. THE OFFICIAL PAPER OF CUSTER COUNTY. LARGEST CIRCULATION OF ANY PAPER IN THE COUNTY.

VOL. XXII.

BROKEN BOW, CUSTER COUNTY, NEBRASKA, THURSDAY, MARCH 24, 1904.--EIGHT PAGES.

NO. 41.

I have spent years at the watchmakers bench—years of constant application, practice and study. No longer than is necessary to become a finished watchmaker, jeweler or engraver. A genius may do it in less time. This genius comes from the farm, or the bicycle or sewing machine repair shop, and in 6 months is doing "fine watch repairing." I am not a genius—simply a hard worker—have thoroughly mastered my trade, do good work only, promptly for cash at right prices

J. C. Bowen returned last Saturday from New York state, where he has been for some time at the bed side of his father. He was very much improved when Mr. Bowen came home. MORE PHOTOS.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed by Lee Bros., druggists, Broken Bow.

Miss Sadie Norcutt closed her school at Green last Friday.

B. C. Empfield of Anselmo, kindly remembered this office yesterday with a friendly call.

Peter Beck of Georgetown, was a social caller at this office Monday. The Misses Hunt came up with him. One of the girls remained and will work for Mrs. B. E. Predmore in the millinery department.

A Platform Temperance meeting will be held in the M. E. church Sunday night at 7:30, at which a number of our citizens will speak upon local issues in the city campaign. Among the speakers are L. H. Jewett, A. P. Johnson, C. L. Gutterson, S. K. Warrick and James Whitehead. Mr. and Mrs. Frank Taylor will render an instrumental duet. Mrs. Adamson will sing, and other special music will be rendered. We invite all who can, to attend—Geo. P. TRIGGS, Pastor.

Edwin F. Myers of Broken Bow, has been honored by receiving a place in the cast of the Senior play at the University of Nebraska. The cast was selected by a committee before whom a large number tried out. The part to which Mr. Myers was assigned is one of the most difficult and important in the play. The play chosen this year is Oliver Goldsmith's, "She Stoops to Conquer." Mr. Myers being assigned to the part of Squire Hardcastle. The play will be given in the Oliver Theatre, Wednesday, June 8. The Senior class has hired Miss Howell, a graduate of the Emerson School of Oratory in Boston, to coach the play for \$150. The caste will practice three nights a week from now until the play is given. Mr. Myers will also act in title role in a play which the University Dramatic Club will present to the Lincoln public shortly. Further than this he has achieved distinction in the field of debate. He tried out in the preliminaries a week ago and was one of the fifteen that were chosen to constitute the Interstate Debating Squad. Those who were in high school with Mr. Myers well remember him as a member of the old Broken Bow Dramatic Club and a successful debater. We believe he debated on three different occasions in high school and was always victorious.

Herbine is a boon for sufferers from anemia. By its use the blood is quickly regenerated and the color becomes normal. The drooping strength is revived. The languor is diminished. Health, vigor and tone predominate. New life and happy activity results. Mrs. Belle H. Shirel, Middlesborough, Ills., writes: "I have been troubled with liver complaint and poor blood, and have found nothing to benefit me like Herbine. I hope never to be without it.
