More Plots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed by Lee Bros., druggists, Broken Bow.

War! War! War!

Blow! Blow! Blow!

The Eagle is on the war-path against high prices and poor goods.

Blowing one's own horn may not be modest, but it is the life and essence of business.

We desire to blow a little about our canned goods, of which we carry a full line of fruits, vegetables, meats, fish, etc. Bottled goods, such as catsup, pickles, mustards and sauces of all kinds.

We also handle the best grades of coffee there is on the market. Also the best line of dried fruits—just try our package fruits and come and get your money back if they are not a success.

The Stranger is as Welcome

as the steady customer at our store, and they, as well as children, will receive the same fair treatment that we are always on the alert to give to all of our customers. ...\$19.00...

A Good 1 1/2 Inch Harness, made of selected stock, a big \$25.00 value, but our price is only

...\$20.00...

These Harness have not been bought to sell at these ridiculously low prices, but have been selected with a knowledge of long experience of Harness Leather, and with a positive knowledge that they will please our customers. We are making these sweeping reductions on Harness to protect ourselves against bankrupt stocks, which we will do at any cost. Don't believe that we will allow anyone to undersell us in the Harness line.
