Expensive Hogs.

Judge Snyder's court has been trying for several days to determine the ownership of three hogs, and to the hour of going to press has not succeeded.

The contending parties are M. Furrow and John Painter.

The hogs in controversy were sold by Painter, with ten other hogs to Wilson & Palmer, some ten days ago. Furrow replevied the three hogs, claiming they had strayed from his premises some time in February. Last Friday the rights of property was tried and the jury failed to agree. Tuesday another jury was impanelled and the case tried a second time. A number of witnesses testified in the case and what is singular both parties were able to prove the same marks caused by different circumstances. The present jury which has now been out on the case about 24 hours is composed of Geo. Waters, L. McCandless, C. W. Luce and E. F. McClure. Another disagreement is more than probable.
