BANKERS UNION NOW FREE.

Court Dissolves Injunction and Discharges the Receiver.

LINCOLN—The injunction operating against the Bankers Union of the World was dissolved by the supreme court and the receiver dismissed, Judge Filed, attorney for the company, having filed with the court the new by-laws of the orders changed to conform to the decision and order of the court in the case. The costs were allowed as follows: Robert Ryan, referee, \$400; John Power, receiver, \$300; Minor Bacon, stenographer, \$300.

The report had been previously filed with the insurance department, but the license was not forthcoming for the reason that Deputy Pierce and Auditor Weston were not sure about some of the points that had been in controversy, and they desired to have the court interpret its opinion. The report failed to show that President Spinney had turned back into the order the money he is alleged to have taken out of it in fees, not in conformity with the decision of the court, and the auditor was also uncertain about the members who had been taken in by the absorption of other orders, many past the age limit, without a medical examination. The report showed also that the order had 12,000 members when at the meeting recently held in Omaha it was brought out that there were only 6,000 members. The court held, however, that the report complied with the order handed down some time ago. President Spinney also filed with the insurance department a release of all claims held against the company by him except the salary voted to him by the Board of Directors.

BANNER COUNTY MEN USE GUNS.

Edward Sharp Seriously Injured by E. C. Lewis.

KIMBALL—Edward Sharp was shot and perhaps fatally wounded by E. C. Lewis, just over the line in Banner county.

Lewis, who is a married man, has been in Wyoming for several weeks and on his return heard that Sharp had been paying attention to his wife. He borrowed a gun and horse and started for Sharp's home in Banner county. It seems that Lewis met Sharp and Mrs. Lewis on the road and the shooting commenced at once. Lewis' first shot going through Sharp's jaw and the second shot entering the back, lodging near the breast bone after penetrating the lung.

Sharp fired one shot, which hit Lewis' horse. All three came to Kimball, Lewis giving himself up to Sheriff Bartholomew. Sharp is in a precarious condition, the chances for recovery being against him.

Call for Warrants.

State Treasurer Mortensen has issued a call for warrants to the amount of \$50,000 for June 16, warrants number from 101,427 to 102,143. Mr. Mortensen also notified brokers that it was possible that the state board of educational lands and funds would have from \$50,000 to \$100,000 to invest by June 14, money belonging to the temporary school fund. This information, of course, is not official, as the board has not yet given its sanction to the investment, but it is more than probable that the investments will be made.

National Guard organizations from other states may pass through Nebraska with impunity and guns, but without ammunition from June 1 to November 10, because Adjutant General Culver has issued an order to that effect. The order was necessary for the reason that the troops of one state have no right to go through another without permission. The withdrawal ammunition clause was put in because the governor and adjutant general did not want Nebraska shot full of holes from car windows by hilarious soldiers.

DOCTOR ADVOCATED OPERATION—PE-RU-NA MADE KNIFE UNNECESSARY.

Mrs. EVA BARTHO, 133 East 12th St., New York City, N. Y., writes: "I suffered for three years with leucorrhoea and ulceration of the womb. The doctor advocated an operation which I dreaded very much, and strongly objected to go under it. Now I am a changed woman. Peruna cured me; it took nine bottles, but I felt so much improved I kept taking it, as I dreaded an operation so much. I am to-day in perfect health and have not felt so well for fifteen years."—Mrs. Eva Bartho.

MRS. EVA BARTHO.

Mrs. Senator Roach, of Larimore, N. Dak.; Mrs. Senator Warren, of Cheyenne, Wyo.; Belva Lockwood and Mrs. General Longstreet, of Washington, D. C., are among the prominent ladies who endorse Peruna.

Miss Helen Rolof, Kaukaula, Wis., writes: "Several times during the past two years or more my system has been greatly in need of a tonic, and at those times Peruna has been of great help in building up the system, restoring my appetite and securing restful sleep."—Helen Rolof.

Miss Muriel Armitage, 36 Greenwood Ave., Detroit, Mich., District Organizer of the Royal Templars of Temperance, writes as follows:

"I suffered for five years with uterine irregularities, which brought on hysteria and made me a physical wreck. I tried doctors from the different schools of medicine, but without any perceptible change in my condition. In my despair I called on an old nurse, who advised me to try Peruna, and promised good results if I would persist and take it regularly. I kept this up for six months, and steadily gained strength and health, and when I had used fifteen bottles I considered myself entirely cured. I am a grateful, happy woman to-day."—Miss Muriel Armitage.

Miss Lucy M. Riley, 33 Davenport St., Cleveland, Ohio, writes: "I wish to add my indorsement to thousands of other women who have been cured through the use of Peruna. I suffered for five years with severe

backache, and when weary or worried in the least I had prolonged headache. I am now in perfect health, enjoy life and have neither an ache or pain, thanks to Peruna."—Lucy M. Riley.

It is no longer a question as to whether Peruna can be relied on to cure all such cases. During the many years in which Peruna has been put to test in all forms and stages of acute and chronic catarrh no one year has put this remedy to greater test than the past year.
