

Home-made Bread

makes American men the tallest and strongest in the world—and no wonder. The most and best of it is baked by their wives and mothers, and raised with the celebrated Yeast Foam. Such bread is light, sweet, nourishing and productive of men of size and strength.

is a compound of the finest malt, hops and corn, made in the cleanest and best-equipped factory in the country. It's always fresh and ready for use. Try it for griddle cakes, buck-wheat cakes, or anything where yeast is used.

The secret is in the yeast.

Put up in a neat package containing seven cakes—enough to make 40 loaves of bread—for 5c. Sold by all grocers. Send for book, "How to Make Bread," free.

A Very Narrow Escape.

Mrs. Rittenhouse, who resides in the north part of the city, fell in a well Sunday night about 35 feet deep, but fortunately was not seriously hurt. While she and her husband were at church Sunday night the wind blew the curb from the well. On their return home she fell in the well which contained about seven feet of water. She managed to hold herself above the water until self arrived to accomplish her rescue. She only sustained a few bruises.

Too Much Rain

A fine rain again Sunday night was one of the things the farmers were not wanting. But very little work was done last week in the corn fields because of the wet condition and all had expected to get into their fields sure Monday morning, but could not on account of the rain. Some fields need working very much, while others are in fairly good condition. Most farmers have in too many acres to think of getting the weeds out with the hoe and unless they can get into the fields very soon with their plows the corn will be too far along to

Are You Interested in the South?

DO YOU CARE TO KNOW OF THE MARVELOUS DEVELOPMENT NOW GOING ON IN THE GREAT CENTRAL SOUTH?

OF INNUMERABLE OPPORTUNITIES FOR YOUNG MEN OR OLD ONES—TO GROW RICH?

Do you want to know about rich farming lands, fertile, well located, on a Trunk Line Railroad, which will produce two, three and four crops from the same field each year? Land now to be had at from \$3.00 to \$5.00 an acre which will be worth from \$30.00 to \$150.00 within 10 years? About stock raising where the extreme of winter feeding is but six (6) short weeks? Of places where truck growing and fruit raising yield enormous returns each year? Of a land where you can live out of doors every day in the year? Of opportunities for establishing profitable manufacturing industries; of rich mineral locations, and splendid business openings?

If you want to know the details of any or all of these write me. I will gladly advise you fully and truthfully.

ORTELLO.

Maud Lindley visited her sister Mrs. Anderson, Saturday and Sunday.

Mr. and Mrs. Daggett of Spring Creek, were in Ortello one day last week.

Several of the Ortello girls are engaged in the pursuit of agriculture these days.

Dick Hempstead has bought a farm on the West Table, but will remain in Ortello this year.

A mistake was made last week in printing the hour of preaching services. It is at 5 p. m. instead of 7 p. m.

S. H. Myers arrived from Portland, Oregon, last Friday, for an extended visit with his daughter, Mrs. Embree.

A severe rain and wind storm visited this valley Sunday evening, and quite a little damage was done to corn. The rainfall for the first ten days of July amounted to almost five inches.

The A. L. A. met at the home of Mattie Fodge last Friday evening. Only a few members were present and a short program was rendered. The next meeting will be July 22, at the home of Harry and Ethel Ashbaugh.

No Pity Shows.

"For years fate was after me continuously" writes F. A. Gull-edge, Verbena, Ala. "I had a terrible case of Piles causing 24 tumors. When all failed Bucklen's Arnica Salve cured me. Equally good for Burns and all aches and pains. Only 25c at Lee Bros. drug store.

Summer School News.

The Misses Wright, Butler and Simonds of Ansley, entered the summer school Tuesday of last week.

Mr. Sutton is showing the science class the inside of the eye, ears, etc., and also experimenting with electricity.

The Misses Gouley, Moody Weaver, Zimmerman and G'Schwinn, each demonstrated their ability as instructors during last week.

The book-keeping class will have all books closed up this week ready for inspection by Monday. Some of them are exceptionally good.

Miss Banker of the Omaha public schools, entertained the literature class on Wednesday of last week by an interesting account of the work done in Omaha.

Supt. Lewis made an excellent address at the opening exercises on last Friday morning. His hints were listened to attentively and will no doubt be long remembered by those present.

Mr. Wimberley sketched a few pictures on the black board in the drawing class last week. Some of the teachers furnished good profiles, while the work of others occasioned considerable guessing.

The program for examinations appeared on the black board Monday morning. Examinations began on Tuesday morning and will continue during the week at the rate of about four branches each forenoon.

Rev. Teagarden opened the general session on Tuesday morning after the Fourth, by addressing the few "remains" who were able to get up to school so early. His talk was along psychological lines and was much appreciated.

Miss Alice Link interested the geography class on Tuesday with an illustrative lecture on the natural curiosities of the Rocky Mountains. Miss Link is from Cody, Wyoming, and besides speaking from personal experience she furnished many natural curious and interesting views. She states that within two years Buffalo Bill intends to make Cody his future home. Some of the teachers were rude enough to ask if she was to be mistress.

The Crete Nurseries.

Frank Stephens of the Crete Nurseries is in this locality calling on all of his customers to see personally how nursery stock bought of them is doing. He is giving his customers many helpful suggestions as to how to care for their trees and plants and how to prepare them for winter. Place your order with him for whatever you may want in the nursery line and he will guarantee your entire satisfaction.

A Birthday Party.

On the afternoon of Tuesday, July 12, a crowd of jolly little folks gathered at the home of Mr. and Mrs. Alvin Burk, to celebrate the birthday of Kenneth Burk. The little people enjoyed themselves at games and amusements, after which a lunch was served. Kenneth received many useful and ornamental presents. Those present were:

Manie and Maudie Apple, Marvin Teagarden, Donald Forsyth, Claris and Gifford Talbot, Willie Bruce, Dwight Day, Gladys and Vera Wilson, Doris and Cash Sharpe, Pearl and Eddy McCormick, Twile Towsley, Atta Tuttle, Walter Peale, Helen and Georgia Moore, Ester Trites, Opal and Ruth Bangs, Floy Osborne, Mable and Vista Miller, and Clarence Hopkins of Callaway.

A Methodist Jubilee

On next Sunday the M. E. church of this city will celebrate their emancipation from debt in very interesting all day service. Among visiting clergymen who will be present to assist in the services will be Rev. E. A. Knight, former pastor, Rev. Abem, the blind evangelist, possibly Presiding Elder Crane and others. A hearty invitation is extended to all to attend. Don't forget the lecture on Monday night. It is new, up-to-date and interesting.

Below is a partial program for the Sunday service:

- 10:00 a. m.—Sunday School. It is out of debt.
- 11:00 a. m.—Sermon by E. A. Knight of Lexington.
- 12:15 p. m.—Old-fashioned Class Meeting.
- 7:00 p. m.—Epworth League Devotional Meeting. Some new and interesting features.
- 8:00 p. m.—Service of Song and brief Addresses.
- 1—How the New Church was built, H. Lomax, L. McCandless, G. H. Thorpe.
- 2—My Part, Rev. E. A. Knight.
- 3—The New Parsonage, W. B. Eastham.
- 4—Church History, Pastor.
- 5—Burning Mortgage by Trustees, Doxology.

On Monday night at 8:00 o'clock, Bro. Knight will give a stereopticon lecture on Japan in the church. This will indeed be a treat. No admission fee will be charged for this. A free-will offering will be taken to defray expenses.

Price and Quality!

We are not posing as philanthropists by pretending to give away goods at less than cost. You should bear in mind that with our enormous stock we can sell goods that mean only a small profit to us, but wouldn't equal cost to others. When it comes to buying

"TWINNE"

Don't experiment with cheap grades as you might lose hundreds of dollars. Our price on the best grades that can be bought make it worth while to buy only the best and bind more acres of grain.

Standard Manila 12c
Standard 11c

"One Good American Dollar" will buy you more value in a Plano Binder than a \$1.50 worth of any other make—absolutely the surest and best for the money, recognized so by every one.

Remember that buggies are made for wear, not ornaments, and a buggy that will not stand the racket is not cheap at any price. With one of our
