Have You Perfect Eyes?

Highest authorities on the eye say you have not. Today the absolutely perfect eye is unknown. Is the defect in your eyes sufficient to cause harmful results? This may be determined by my scientific measurements of the eye, and in no other way. Use of glasses advised if you need them—otherwise not. Glasses sold you if you want them—but no compulsion about it.

I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." DR. L. B. BILON

EYE SPECIALIST,

Will be at Lee Bros. Drug Store, where he may be consulted Free of Charge,

Friday, August 5th, 1904.

If you suffer from Sore, Weak or Inflamed Eyes, Failing or Painful Vision, Dizziness, confusion in the brain, that heavy, dull feeling, Nervous Prostration, Sick Headaches, Facial Neuralgia, etc.,

Headache Over the Eyes and in the Back of the Head.

This is a positive symptom of eye strain, and the person who dopes himself continuously by taking head ache powders, wafers, tablets, pain pills, and the various patent nervines, which are all composed of the various heart-depressants, such as anti-pyrine, anti-kamnia, anti-febrine, acetanilide, bromides, and narcotics such as opium, morphine, etc., only relieves his condition temporarily and at the expense of all the poisonous and deleterious after-effects of these drugs a temporary relief at the best. Stop it! You are the person we are looking for; we can give you permanent relief by removing the cause of the trouble. If we can't, we will tell you so honestly.

Properly adjusted glasses afford an immediate and positive cure for the headache, as they remove the cause and are therefore permanent in their effects, unlike the headache powder which only relieve the effects, and the cause (eye-strain) is left to do the mischief over again.

Call early, as we can give you better attention than if you come the last minute.

People who go to the County Fair like to have a good time at night, as well as during the day. The idea has been suggested by a good many of our citizens that it would be a good plan to secure a mammoth tent capable of holding several thousand people and put a first class show. This would serve for two purposes, first, the finest kind of entertainment, second, a canopy to shelter hundreds of people, who for years past have been compelled to walk the street at night on account of the hotels being over crowded.

MARRIED—WALDRON—GUSTAIN—Saturday, July 16th, 1904, S. C. Waldron of Over, and Miss Gustain of Callaway, in this city, Judge Armour, officiating. A number of the county officials and stockmen who were apprised of the contemplated matrimonial venture appeared on the scene at the proper time and witnessed the tying of the nuptial knot. It required a box of cigars to satisfy the witnesses, after which the bride and groom were allowed to depart in peace. Mr. Waldron is one of the substantial citizens and stockmen of the south west part of the county and worthy of a good companion to share his cares and prosperity such as his bride is. The REPUBLICAN joins with their many friends in extending congratulations.
