

# CUSTER COUNTY REPUBLICAN.

ESTABLISHED 1882. THE OFFICIAL PAPER OF CUSTER COUNTY. LARGEST CIRCULATION OF ANY PAPER IN THE COUNTY.

VOL. XXIII.

BROKEN BOW, CUSTER COUNTY, NEBRASKA, THURSDAY, JULY 28, 1904.--EIGHT PAGES.

NO. 7.

Everybody nowadays is ruled by the time piece. Why not have a reliable master, one whose dials are never open to question? Have the old one made right or get a new one. Travelling calls for a timepiece, not a pocket piece. You would give an hour for a minute when your train vanishes from one end of the station as you enter the other. I can make your old watch reliable or sell you one that is.

### LOCAL MENTION.

The REPUBLICAN acknowledges a business call from Mrs. W. P. Deardorf of Merna Tuesday.

Dr. Day's mother of Roseville, Illinois, is visiting in the city with the Dr. and her brother, H. Rogers.

M. E. Harris and wife of Westerville, were city visitors Saturday. They visited with their daughter, Mrs. Barrett, west of the city, Saturday night and Sunday.

Smith Allen, formerly of this county, now a resident of St. Joseph, Mo., was a friendly caller at this office Friday. He is making his home now with his daughter, Mrs. Manifold, in St. Joe.

The Callaway Queen registers a kick against the U. P. railroad for changing its time from 11:45 a. m. to 7:45 p. m. This arrangement throws their mail a day late as it has to lay over at Kearney. We would advise Callaway to join with the people of Arnold and Broken Bow and put in an electric line so as to connect with the B. & M., an up-to-date road.

### DR. L. B. BILON EYE SPECIALIST,

Will be at Lee Bros. Drug Store, where he may be consulted Free of Charge.

Friday, August 5th, 1904.

If you suffer from Sore, Weak or Inflamed Eyes, Failing or Painful Vision, Dizziness, confusion in the brain, that heavy, dull feeling, Nervous Prostration, Sick Headaches, Facial Neuralgia, etc.,

### Headache Over the Eyes and in the Back of the Head.

This is a positive symptom of eye-strain, and the person who dopes himself continuously by taking head ache powders, wafers, tablets, pain pills, and the various patent nervines, which are all composed of the various heart-depressants, such as anti-pyrine, anti-kamnia, anti-febrine, acetanilide, bromides, and narcotics such as opium, morphine, etc., only relieves his condition temporarily and at the expense of all the poisonous and deleterious after-effects of these drugs a temporary relief at the best. Stop it! You are the person we are looking for; we can give you permanent relief by removing the cause of the trouble. If we can't, we will tell you so honestly.

Properly adjusted glasses afford an immediate and positive cure for the headache, as they remove the cause and are therefore permanent in their effects, unlike the headache powder which only relieves the effects, and the cause (eye-strain) is left to do the mischief over again.

Call early, as we can give you better attention than if you come the last minute.

### Postmaster Short.

T. B. Buckner, postmaster at Oconto has been relieved by Dept. Marshall Harman. A shortage of \$442 was found in his accounts, which the bondsmen put up. Buckner was taken to Holdrege and there bound over. In default of bond was taken to Douglas county jail. A. Fonda has been placed in charge of the office.

Samuel Waddington of Ortello, was a city visitor Saturday. This office acknowledges a friendly call.

Joseph Scott of Weissert, was in the city Saturday and closed the deal for the Adamson residence property in the southeast part of town. Mr. Scott will let his boys take charge of his farm and stock and will move to the city after harvest. The REPUBLICAN extends a welcome to Mr. and Mrs. Scott, who have well earned their success in life and the rest-they will now be able to enjoy.

Sunday will be teachers day at the M. E. church. At 11 a. m. the pastor will deliver an address on the subject of "Character Building." At 8 p. m. Mrs. Crawford of Peru, and Prof. Monroe of Iowa, will each make an address. Special music is being arranged for both of these services. Rev. Abem, Lewis Male Quartette, Frank Stephens of Crete, and others will sing. We expect it to be an enjoyable and helpful day to all concerned. A cordial invitation to our citizens and to all teachers is extended. GEO. P. TRITERS, Pastor.

The City Council at its meeting Wednesday night passed a resolution recinding its order to the county treasurer to accept 10 per cent for the assignment tax sale certificates now held by the city, except from the owners of property. This was done with a view to allow all property owners whose property has been sold to the city for tax, to redeem if they wish to do so without the intervention of a third party. The city attorney was also instructed to take the necessary steps to foreclose on all city sales, and if possible to get into court at the September term.

### Baseball Players and Foot Racers

Louis J. Kruger, ex-champion long distance foot racer of Germany and Holland, writes, October 27th, 1901: "During my training of eight weeks' foot races at Salt Lake City, in April last, I used Ballard's Snow Liniment to my greatest satisfaction. Therefore, I highly recommend Snow Liniment to all who are troubled with sprains, bruises or rheumatism." 25c, 50c, \$1.00 bottle. Sold by Ed. McComas, Broken Bow and Merna.

Mrs. Joe Pigman and son, Elba, returned the first of the week from a weeks visit in the vicinity of Ravenna.

The annual picnic of the Old Settlers of Custer county will be held in Broken Bow, Wednesday, August 3, 1904. Hon. John N. Dryden of Kearney, will deliver the principal address of the occasion.

Chief Justice Holcomb was a friendly caller at this office last Friday. The Judge was on his way to Seattle, Washington, where he hopes to recuperate his health. He stopped off a couple days to visit relatives and his many friends at this place.

Julius Ottun of Boyceville, Wisconsin, arrived in the city Saturday morning on his way to Round Valley, to visit his parents and former neighbors. He with his brother has been in the mercantile business in Boyceville but recently sold out. They expect to go into business in Luck, Wisconsin.

DIED—At her home on Ash Creek on Sunday evening, July 24, 1904, very suddenly, Miss Fannie E. Herrick, wife of D. L. Herrick. Deceased was born in New York, March 21, 1855. She was married to D. L. Herrick January 1, 1876, in Clay Co., Nebraska. To this union was born nine children of whom seven survive her. All of them are living at home. Mrs. Herrick was a good mother and a good neighbor. She loved her home and was hoping to see her children well-established. Her sudden death was a shock to the community. The funeral was conducted by Rev. L. L. Epley at the home on Monday, and the burial was at Broken Bow cemetery. The bereaved family has the sympathy of all who know them.

Dr. Leach, the Dentist, who has been located at Callaway the past few years, is now located in Broken Bow in the Gleim Building. His office is equipped with the latest appliances and all of the latest methods are used by him. Realizing that the dread of pain results in the loss of more teeth than any other cause, Dr. Leach makes a special effort to relieve all such suffering. Dr. Leach is the only dentist this side of Grand Island who administers Gas, Vitalized air or Dentaline to render operations painless. By the use of Dentaline the Doctor removes the live nerve positively without pain and immediately fills the tooth thereby avoiding the oft repeated and much dreaded visits of the patient to the dentist. His first consideration is to please you, if you are not satisfied he will refund your money.

### Cheerfully Recommended for

O. G. Higbee, Danville, Ill., writes, Dec. 2, 1901: "About two years ago I was laid up for four months with rheumatism. I tried Ballard's Snow Liniment; one bottle cured me. I can cheerfully recommend it to all suffering from like affliction." 25c, 50c, \$1.00. Sold by Ed. McComas, Broken Bow and Merna.

## Shows

There will be several shows here next month, but the greatest show of all will be **Martin's Buggy Show**, and better still, it don't cost you anything to get in but if you get out without buying a Buggy it will be because you don't want one. than all the dealers in the county put together. If you are going to want a Buggy why not buy one that is of the latest style, direct from the factory instead of buying one that has stood in a crate in a jobbing house for a year or more until the dust has eat the varnish up. My prices I will guarantee to be lower than you can buy from anyone in the United States. Bring your catalogue and prices and come in and see mee. I have plenty Deering, Plano and McCormick Mower Sickles: 5-foot, **\$1.25**; 6-foot, **\$1.35 each.**
