

CUSTER COUNTY REPUBLICAN.

ESTABLISHED 1882. THE OFFICIAL PAPER OF CUSTER COUNTY. LARGEST CIRCULATION OF ANY PAPER IN THE COUNTY.

VOL. XXIII.

BROKEN BOW, CUSTER COUNTY, NEBRASKA, THURSDAY, AUGUST 4, 1904.--EIGHT PAGES.

NO. 8.

Old Father Time has seen great improvements in time keepers during the past century. In succession came the sun dial, the hour glass, then the crude mechanical time keepers, on up to what we now consider the acme of watch perfection. It is hard to conceive of greater improvements than are found in the thin model American watch which I handle in all makes and various designs, to suit your taste, your pocket and your purse.
