None the less attractive because compelled to wear glasses. Ladies who imagine that glasses detract from their good looks should permit us to fit them. Our **Eye-glasses** have nose pieces which are almost invisible, and are so neat that they give a distinguished air to the wearer. For those who must wear spectacles our frameless glasses are very satisfactory.

What is Life.
In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c at Lee Bros. Drug Store.
