Abscesses.

W. H. Harrison, Cleveland, Miss., writes, Aug. 15, 1902: "I want to say a word of praise for Ballard's Snow Liniment. I stepped on a nail, which caused the cords in my leg to contract and an abscess to rise in my knee and the doctor told me that I would have a stiff leg, so one day I went to J. F. Lord's drug store (who is now in Denver, Colo.) he recommended a bottle of Snow Liniment; I got a 50c size, and it cured my leg. It is the best liniment in the world.

ABSCESSSES, with few exceptions, are indicative of constipation of debility. They may, however, result from blows or from foreign bodies, introduced into the skin or flesh, such as splinters, thorns, etc. Sold by Ed. McComas, Broken Bow and Merna.
