Ice Cream Social at Highland.

The patrons in district 55 dedicated their new school house Saturday evening, September 3, by giving an ice cream social. The house was crowded and running over. After listening to a fine program the crowd ate ice

cream and cake until their appetites said we have enough for this time. Then came the next interesting part of the program. A fine cake was sold to the highest bidder for the most popular young lady and a large pie to the ugliest man. Miss Grace Taylor received the cake. Price paid for the cake, \$23.56. Rube McMurtry received the pie. Price paid for the pie, \$2.37. Cake sold highest bidder, 25 cents. Receipts for ice cream, \$15.67. Total amount collected, \$41.85, which goes to buy an organ for the new school. Credit should be given Miss Taylor, who superintended the work. Every one seemed to enjoy themselves and will long remember the social at Highland school house.

Abscess.

W. H. Harrison, Cleveland, Miss., writes, Aug. 15, 1902: "I want to say a word of praise for Ballard's Snow Liniment. I stepped on a nail, which caused the cords in my leg to contract and an abscess to rise in my knee and the doctor told me that I would have a stiff leg, so one day I went to J. F. Lord's drug store (who is now in Denver, Colo.) he recommended a bottle of Snow Liniment; I got a 50c size, and it cured my leg. It is the best liniment in the world.

ABSCESSSES, with few exceptions, are indicative of constipation of debility. They may, however, result from blows or from foreign bodies, introduced into the skin or flesh, such as splinters, thorns, etc. Sold by Ed. McComas, Broken Bow and Merna.
