## DR. T. A. LEACH, DENTIST

Broken Bow, Nebraska.

It is our aim to give you honest, conscientious work and to please you in every detail. Should our fillings come out or our work prove unsatisfactory in any manner we will cheerfully refund your money or do the work over free of charge, whichever you desire.

By a new method we remove the live nerve perfectly painless and immediately fill the tooth, thereby avoiding the oft repeated visits of the patient to the dentist. We are prepared to extract teeth absolutely painless and insert new ones the same day if desired. Everything done by the latest methods. No arsenic or cocaine used!

T. A. LEACH, D. D. S.,

Telephone 258, Office in Myers-Gliem Building.

### LOCAL MENTION.

H. G. Stokes of Sargent, was a business caller at this office Friday of last week.

Misses Hanna Edmunds and Dex Herluss returned Monday from their trip to the World's Fair at St. Louis.

C. T. Holliday of Arnold, was in the city Monday to meet the fusion committee, who were here to get him to withdraw as candidate for the legislature, but Tom did not withdraw.

The republicans of Hall and Howard counties have nominated A. E. Cady of St. Paul for Senator of that district. The choice is a good one and we shall confidently expect Mr. Cady's election to that position which he is so capable of filling.

A number of new houses have been built in Broken this season. The number will probably reach fifty. But they do not near supply the demand. These houses with one or two exceptions have been built by parties for their own occupancy. At least fifty more would be in demand for tenants. Not a week goes by but what there are several applications for houses to rent. Parties with means would find it a good investment to build several cottages in the city to rent.

### The Best Doctor.

Rev. B. C. Horton, Sulphur Springs, Texas, writes, July 19th, 1899: "I have in my family Ballard's Snow Liniment and Horehound Syrup, and they have proved certainly satisfactory. The liniment is the best we have ever used for headache and pains. The cough syrup has been our doctor for the last eight years." 25c, 50, \$1.00. Sold by Ed. McComas, Broken Bow and Merna.

F. W. Conley of Callaway, was a city visitor Tuesday night. He was accompanied by S. Drake of Miller.

H. J. Edgington, whose sale was recently advertised in the REPUBLICAN, informs us that his stock, with the exception of the cows and heifers, sold well. His sale brought him, \$3,810.85. Of this amount he received \$2,000 of it in cash. Mr. Edgington started seventeen years ago on his homestead with a team of broncos. His sale of personal property only shows a small percent of his accumulations in that time. He has a ranch of several hundred acres besides his bank account. He is forced to leave the county on account of his wife's health, but wherever his lot is cast he will have a good word to say for Custer County.

### A Love Letter.

Would not interest you if you're looking for a guaranteed Salve for Sores, Burns or Piles. Otto Dodd of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me. It's the best Salve on earth. 25c at Lee Bros. Drug Store.
