STRANGER KILLED BY A TRAIN.

Body of Unidentified Man is Found Near Firth.

ADAMS—The body of an unidentified man was found on the tracks of the Burlington road one and one-half miles east of Firth. The face had been so badly mangled that it is impossible to give a description of the features. He was of medium size and the fragments of clothing indicated that he had been well dressed. One of his arms had been torn off and the body was otherwise bruised and lacerated.

It is thought that he was struck by the Burlington "Flyer" No. 4, about midnight. The coroner was called from Beatrice and may be able to identify the body by papers which may be found in the torn garments. An inspection of the tattered clothing worn by the stranger later showed that he had no papers and a card bearing the name of J. C. Dawson, Lincoln, Neb., was the only clue to his identity.

Some doubt is now expressed as to the cause of his death. The finding of his hat half a mile west of the place where the body was found leads many to believe that the man was thrown or fell from Burlington train no. 120.

INDIANS ARE THE OWNERS.

Unentered Land in Richardson County Not Subject to Homestead Law.

HUMBOLDT—The dreams of sudden wealth which have been indulged in by Dr. Wells of Falls City were rudely shattered last week by the appearance on the scene of Special Agent O. C. Edwards of Horton, Kas., representing the department of the interior. The latter had been sent by the government to investigate the filing by Dr. Wells of homestead entry papers upon a piece of land found without an owner near Preston. In the east part of the county. The land was adjoining the Nemaha river, of irregular dimensions and contained about twenty acres, valued at nearly \$100 an acre, and the doctor was considered quite fortunate by his friends in striking the "find." Now, however, comes the government agent with the information that the land belongs to the government, but was not of the strip opened years ago for settlement and therefore not opened for entry. Whatever funds are derived from the sale of the land is to go to the Fox and Sac Indians now on the reservation near Reserve, Kas.
