THE PILLS THAT CURE

Mrs. Henry Story, of No. 532 Muskingdum Ave., Zanesville, Ohio, says: "My husband suffered from rheumatism so that he could hardly stand. His back hurt and he had such pain in his left arm that he could not rest night or day. The doctor did him no good and it was not until he tried Dr. Williams' Pink Pills that he was helped. Six boxes cured him completely and he has not had an ache or a pain since. We think the pills are the best medicine in the world."

A prominent club woman, Mrs. Danforth, of St. Joseph, Mich., tells how she was cured accompanying pains and misery by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: - Life looks dark indeed when a woman feels that her strength is fading away and she has no hopes of ever being restored. Such was my feeling a few months ago when I was advised that my poor health was caused by prolapsus or falling of the womb. The words sounded like a knell to me, I felt that my sun had set; but Lydia E. Pinkham's Vegetable Compound came to me as an elixir of life; it restored the lost forces and built me up until my good health returned to me. For four months I took the medicine daily, and each dose added health and strength. I am so thankful for thehelp I obtained through its use." - MRS. PERUNA is known from the Atlantic | In a letter to The Peruna Medicine to the Pacific. Letters of congrat- | Co., he says: ulation and commendation testifying to the merits of Peruna as a catarrh remedy are pouring in from every State

Dr. Hartman is receiving hundreds of such letters daily. All classes write these letters, from the highest to the lowest.

The outdoor laborer, the indoor artisan, the clerk, the editor, the statesman, the preacher—all agree that Peruna is the catarrh remedy of the age.

The stage and rostrum, recognizing

catarrh as their gre est enemy, are es-pecially enthusiastic in their praise and testimony.

Any man who wishes perfect health must be entirely free from catarrh. Catarrh is well-nigh universal; almost

omnipresent. Peruna is the only absolute safeguard known. A cold is the beginning of catarrh. To prevent colds, to cure colds, is to cheat catarrh of its victims.

Peruna not only cures catarrh, but prevents it. Every household should be supplied with this great remedy for coughs, colds and so forth.

The Ex-Governor of Oregon is an ardent admirer of Peruna. He keeps it bus, Ohio. All correspondence held continually in the house.

PRAISE FROM THE EX-GOVERNOR OF OREGON. Co., he says:

STATE OF OREGON, EXECUTIVE DEPARTMENT, The Peruna Medicine Co., Columbus, O. Dear Sira:- I have had occasion to use your Peruna medicine in my famlly for colds, and it proved to be an ex-cellent remedy. I have not had oc-casion to use it for other allments.

Yours very truly, W. M. Lord. It will be noticed that the Ex-Governor says he has not had occasion to use Peruna for other ailments. The reason for this is, most other ailments

begin with a cold. Using Peruna to promptly cure colds, he protects his family against other

ailments. This is exactly what every other family in the United States should dokeep Peruna in the house. Use it for coughs, colds, la grippe and other climatic affections of winter, and there will be no other ailments in the house.
Such families should provide themselves with a copy of Dr. Hartman's free book, entitled, "Chronic Catarrh."
