

CUSTER COUNTY REPUBLICAN.

ESTABLISHED 1882. THE OFFICIAL PAPER OF CUSTER COUNTY. LARGEST CIRCULATION OF ANY PAPER IN THE COUNTY.

VOL. XXIII.

BROKEN BOW, CUSTER COUNTY, NEBRASKA, THURSDAY, FEBRUARY 9, 1905.--EIGHT PAGES.

NO. 35.

If your watch won't run, you have a talk with the watchmaker. If you are in physical distress you call a physician. If your house is outwardly rusty, a painter will brighten it. It's a case of every man to his own trade, and then your work will be well done. A watchmaker cannot mend impaired health; nor can a physician set the wheels of a broken watch or remedy eye ailments successfully. It is only that man who has studied searchingly, Refraction, Physiology and Anatomy of the eye, who can adjust glasses to a certainty.

College Students Meet.
About sixteen of the college students gathered at the rooms occupied by Myrtis and Myrle Miller in the old college building, to celebrate their classmates, Myrle's eighteenth birthday in regular old college style. Some of the other tenants in the building objected, however, to the college way of celebrating and their plans had to be somewhat modified. But when classmates meet together for a good time they should be excused for breaking over the rules of etiquette to an extent. Lunch was served at 11:30 p. m., and the students express themselves as well pleased with the evenings gathering despite the objections that were raised. Below is a list of those that were there: Mesdames Anna Bishop, Bertha Craig, Emily

G'Schwind, Daisy Longfellow, Alice Huffaker, Bertha Huffaker, Myrtis and Myrle Miller. Messrs: Darnell, Culver, Robinson, Johnson, Burch, Huffaker, Lowry and Alexander.

Fraud Exposed.
A few counterfeiterers have lately been making and trying to sell imitations of Dr. King's New Discovery for consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E.
