

OBSTINATE CASES

Of leucorrhea, excessive flowing, painful periods, prolapsus, or falling of womb, attended by weak back, bearing-down sensations, ulceration of womb, pain

and tenderness of ovaries, are almost always cured by a fairly persistent use of Dr. Pierce's Favorite Prescription. If in any case it should, in due time, not seem quite adequate to meet every phase of some complicated case, Dr. Pierce always stands ready to offer valuable suggestions based upon years of varied experience which often proves of inestimable value. This he does entirely free of charge to those using his medicines. Address Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y.

Dr. R. V. Pierce, Buffalo, N. Y.: Dear Sir—Once thought I should never enjoy good health again. What I suffered with womb disease words cannot express. Had distressing bearing-down pains, painful monthly sickness, backache, constipation, also cold hands and feet at all times. Was all run-down, and there was nothing left of me but a shadow. After I had taken eight bottles of Dr. Pierce's Favorite Prescription, two of his "Compound Extract of Smartweed," also some of Dr. Pierce's Pleasant Pellets, I was entirely cured. I always keep the remedies on hand now, and recommend them to all my friends. Yours truly, Mrs. J. J. Bowers.

663 4th Street, Besselaer, Albany, N. Y. There is no opium, cocaine or other narcotic in "Favorite Prescription." Neither does it contain alcohol, whiskey or other intoxicant.

It often happens that childlessness is due to conditions which may be corrected. Many women have found the vitality and vigor imparted by Dr. Pierce's Favorite Prescription to the womanly organs, has been the one thing needful to fulfill the joy of motherhood. This famous medicine is not a cure-all,

but a specialist's prescription, having as a single aim the cure of diseases peculiar to women.

Reliable dealers recommend "Favorite Prescription." With tricky ones, something else that pays them better will probably be urged upon you as "just as good." Perhaps it is for them; but it can't be for you. Some saving may be made by purchasing our medicines in half-dozen quantities.

If you are convinced that the "Favorite Prescription" is the medicine you need, do not be cajoled into accepting something else. The attempt to induce you to do so is an insult to your intelligence. Turn your back on the one who offers the affront.

DR. PIERCE'S PLEASANT PELLETS

Cure biliousness, sick and bilious headache, dizziness, costiveness, or constipation of the bowels, loss of appetite, coated tongue, sour stomach, windy belchings, "heart-burn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels. Persons subject to any of these troubles should never be without a vial of the "Pleasant Pellets" at hand. They are always adopted as a household remedy after the first trial. Put up in glass vials, tightly corked, therefore always fresh and reliable.

One little "Pellet" is a laxative, two are cathartic. They regulate, invigorate and cleanse the liver, stomach and bowels. As a "dinner pill," to promote digestion, take one each day. To relieve the distress arising from over-eating, nothing equals one of these little "Pellets." They're tiny, sugar-coated, anti-bilious granules, scarcely larger than mustard seeds.

Doctor Pierce's great thousand-page "Common Sense Medical Advice" will be sent for the mere cost of mailing; paper-bound for 21 one-cent stamps, or cloth-bound for 31 stamps. It is a grand and useful book. Address Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y.
