WAGONS!

IT is not long until you will be wanting a new wagon to haul off your crops, and I invite you to examine the Burg wagon. I have handled this wagon for five years and sold more Burg wagons than all of my competitors combined. It is the only wagon sold here with oak and hickory gear. I buy these wagons direct from the factory, and when you buy a Burg wagon from me you are not paying a jobber \$10.00 profit.
