ESTABLISHED 1882. THE OFFICIAL PAPER OF CUSTER COUNTY. LARGEST CIRCULATION OF ANY PAPER IN THE COUNTY.

VOL. XXIV.

BROKEN BOW, CUSTER COUNTY, NEBRASKA, THURSDAY, OCTOBER 5, 1905.--EIGHT PAGES.

NO. 17.

### A NICKLE.

A nickel isn't five cents, when one is speaking of clocks; it will take twenty of your nickles to buy one of ours, with an alarm and guarantee "thrown in." Our nickel alarm clock at a dollar makes faces at the poor trash sold in some stores for less money. Ours does not have soft pinions and a case as thin as tin. The difference in the price is in the clock, and in the subsequent price of keeping it going. Our stay good, and that's worth considering.

SEATS ON SALE AT THE USUAL PLACES

F. H. Young returned home yesterday morning on 41 after a weeks absence from the city.

Miss Irene Xanders left Tuesday for Michigan, where she goes to renew her studies in college.

Hermon Dierks of Kansas City, was renewing old acquaintances in the city Monday. He spent two and a half years at their mills in Arkansas and only about three months ago moved to Kansas City, where he resides now.

F. C. Embree of Merna, called Monday and had his subscription to the REPUBLICAN advanced to 1906. He informs us that he has been offered an increase of \$15 an acre on his farm he bought near Merna, but as he bought it for a home it is not for sale. He still has his farm of 480 acres in Ortello Valley.

Noah Clinebell was in from Turner Valley Saturday. He informs that besides raising two thousand bushels of oats this year he will have at least 5,000 bushels of corn. As he did not move to the farm until this spring he rightly figures that he has made good wages farming for himself. He will clear up one thousand or twelve hundred dollars this season.

**MARRIED—GRAHAM—STEWART**  
On Monday evening at the U. B. parsonage, Mr. J. Evert Graham of Merna, and Miss Ethel Stewart of Blair, were united in the bonds of Holy Matrimony, by a short ceremony spoken by Rev. L. L. Epley. The groom is one of Custer county's prosperous young men, the son of Rev. F. M. Graham, well known as one of the pioneer ministers of the county. The bride is the daughter of Geo. A. Stewart of Blair, a popular and talented young lady. She was a teacher in the Merna schools two years ago. The happy couple have the best wishes of a host of friends.

The infant child of S. W. Reedy, died last Wednesday and was buried Thursday. Rev. L. L. Epley had charge of the service.

Mrs. J. D. Wilson of this city has been honored with the appointment of Matron of the Ak-Sar-Ben carnival at Omaha this week.

P. H. Monk returned yesterday morning from Lincoln where he accompanied his wife last week. A diagnosis of her case by a physician at Lincoln was made and he says her trouble is not gall stones. She remained there for treatment instead of going to Nevada, Missouri.

Harrison Morrison, north-east of Arnold, left at this office samples of corn he raised on his place. It is of fine quality well matured and he estimates that it will yield forty bushels to the acre. He is a fraction short of a section that he procured under the Kinkaid Homestead law. He says his oats yield 30 bushels to the acre.

W. A. Jackson, to whom R. A. Hunter recently sold the Walter Hall farm, north-east of town arrived in the city Saturday with his family from Missouri and moved to his new farm Monday. The farm consists of 160 acres of which at least 100 acres is fine tillable land. Consideration, \$4,000. Mr. Hunter says the last four to whom he has sold land from Missouri are republicans in politics from which he infers that republicans in that democratic state are growing tired of democracy and gumbo and they come to Custer county, where they can breath purer political atmosphere and secure better land for themselves and children for less money than they can in Missouri.
