

Resented Term of Reproach.
In Russia, it seems, the women account it a kind of disgrace not to marry. A young Russian girl, who had not met a man she cared for specially, was reproached for her obstinacy by her mother, who in a fit of anger called her an "old maid." The girl was so hurt by this remark that she ran away and entered a cloister.

MEN WHO ARE ABSENT-MINDED.

Bath Attendant Says He Finds Failing Very Common.
Absent-minded men have their failing accentuated when they get to the bathing pavilions at the beaches. They are always leaving their keys in the bathroom doors and then forgetting the number. You see them on the beach with their bathing suits on wrong side out—hired suits with the big white identification tag sewed on the shoulder. Several times this season men have walked into the water wearing their new straw hats, and it is almost a daily occurrence for men to forget to remove their nose glasses until a big wave saves them the trouble.

A case of absent-mindedness set a beachful of people to laughing yesterday at Brighton Beach. A good-looking young man strolled out of the pavilion, down the runway to the sands. He was smoking a cigar and wearing a red swimming suit. Also he wore his shoes and socks—the latter held up by the garters usually worn by men. He was perfectly oblivious of the shoes and socks. He stood smoking and watching the waves for a few minutes, then tossed away his cigar and walked straight into the water. He was knee deep before he discovered his shoes. Then he made a break for his bathroom. Fifteen minutes later he emerged, barefooted and with a sheepish look on his face. "That's nothing for absent-mindedness," said a bath attendant. "Why, I've had to stop lots of men who started out to the water without thinking to put on their bathing suits."—Brooklyn Eagle.

TENOR HAD FUN WITH "SUPE."

Diminutive Bostonian's Stage Arrest of Famous Tamagno.
After reading of the death of Tamagno, a Harvard "grad" last evening related an experience he had with the famous tenor when a freshman. "With some of the other boys in my class," he said, "I used to go to the theaters and act as 'supe.' We used to think it was great sport. Well, one night half a dozen of us were to go on as soldiers in 'Il Trovatore,' in which Tamagno was singing. I was told that at a certain cue I was to go on the stage, arrest the tenor and lead him off to prison. I was pretty well coached and full of self-confidence, but when I got my cue and saw the singer I almost decided to let him go on with his singing and not undertake to arrest him. I am nothing of a Hercules and the burly tenor looked as though he could lick me with one hand. However, I went after him, and what a fight he put up! "I knew that we were supposed to have a sham struggle, but I hadn't expected him to thrash around the way he did. I thought he was going to wipe up the stage with me. "The perspiration began to pour over my greasy paint and I was breathing pretty hard before he finally allowed himself to be overcome and led away to jail. When we reached the wings Tamagno looked at me and laughed heartily. 'Well, well, young man,' he said, slapping me on the back, 'you licked me, didn't you? Keep on, we will make a fighter of you yet.'"—Boston Record.

Insist on Getting It.

Some grocers say they don't keep Defiance Starch. This is because they have a stock on hand of other brands containing only 12 oz. in a package, which they won't be able to sell first, because Defiance contains 16 oz. for the same money. Do you want 16 oz. instead of 12 oz. for same money? Then buy Defiance Starch. Requires no cooking.

WORKING WOMEN

Their Hard Struggle Made Easier—Interesting Statements by a Young Lady in Boston and One in Nashville, Tenn.

All women work; some in their homes, some in church, and some in the whirl of society. And in stores, mills and shops tens of thousands are on the never-ending treadmill, earning their daily bread.

All are subject to the same physical laws; all suffer alike from the same physical disturbance, and the nature of their duties, in many cases, quickly drifts them into the horrors of all kinds of female complaints, ovarian troubles, ulceration, falling and displacements of the womb, leucorrhoea, or perhaps irregularity, or suppression of "monthly periods," causing backache, nervousness, irritability and lassitude.

Women who stand on their feet all day are more susceptible to these troubles than others.

They especially require an invigorating, sustaining medicine which will strengthen the female organs and enable them to bear easily the fatigues of the day, to sleep well at night, and to rise refreshed and cheerful.

How distressing to see a woman struggling to earn a livelihood or perform her household duties when her back and head are aching, she is so tired she can hardly drag about or stand up, and every movement causes pain, the origin of which is due to some derangement of the female organism.

Miss F. Orser of 14 Warrenton Street, Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

Boston, tells women how to avoid such suffering; she writes:

Dear Mrs. Pinkham—
"I suffered misery for several years with irregular menstruation. My back ached; I had bearing-down pains, and frequent headaches; I could not sleep and could hardly drag around. I consulted two physicians without relief, and as a last resort, I tried Lydia E. Pinkham's Vegetable Compound, and to my surprise, every ache and pain left me. I gained ten pounds and am in perfect health."

Miss Pearl Ackers of 327 North Sumner Street, Nashville, Tenn., writes:

Dear Mrs. Pinkham—
"I suffered with painful periods, severe backache, bearing-down pains, pains across the abdomen; was very nervous and irritable, and my trouble grew worse every month. My physician failed to help me and I decided to try Lydia E. Pinkham's Vegetable Compound. I soon found it was doing me good. All my pains and aches disappeared, and I no longer fear my monthly periods."

Lydia E. Pinkham's Vegetable Compound is the unfailing cure for all these troubles. It strengthens the proper muscles, and displacement with all its horrors will no more crush you.

Backache, dizziness, fainting, bearing-down pains, disordered stomach, moodiness, dislike of friends and society—all symptoms of the one cause—will be quickly dispelled, and it will make you strong and well.

You can tell the story of your sufferings to a woman, and receive helpful advice free of cost. Address Mrs. Pinkham, Lynn, Mass.

YOU NEED SUCH A TONIC

Until Mull's Grape Tonic Was Brought to America, the Following Was Incurable.

READ THESE STATISTICS—WE CAN VERIFY THEM:

90,000 people die yearly from the results of Constipation and Stomach Troubles and their attending ills. Nine in every ten have it. Many don't know it, and a good many who do know it neglect it until it is too late. Some get so bad they think it is incurable, and then they resort to the physic or pill habit, where the real trouble begins. You and I know that Pills and Physic make us worse, we become a slave to them, and finally they lose their power and paralysis of the intestines occurs, and then slow death.

Now Constipation and Stomach Trouble are just as curable as any other disease; we have proved this fully by curing over 40,000 the last two years. Many of these were the most chronic, serious, complicated kind in which all other remedies and doctors had failed and hope disappeared, but our treatment cured them quickly and to stay cures.

Mr. Thompson, of Peoria, who had suffered all his life and had given up hope, was cured by 24 bottles. Dr. Dill, of St. Louis, whose health had been broken down, claims that several bottles cured him, that it is a splendid medicine for Stomach and Bowels, and the best general tonic he ever saw. Dr. Hedrick, of Kansas City, who had constipation so badly that he verged upon nervous collapse, says to his great surprise after trying everything else was cured by Mull's Grape Tonic, he says it is the best thing for Stomach and Bowels and kindred ills, that has come to his attention in his professional career. Mrs. Alcoa, of Chicago, who was a confirmed invalid for years, after taking a thorough course of Mull's Grape Tonic says she was able to leave her bed after the third bottle, and is now enjoying good health. She had tried everything that came to her notice. Mr. Crow, of St. Louis, had dyspepsia, liver and bowel trouble for 35 years, which he contracted during the Civil War. He said he never could get anything that even afforded him relief, but that a short treatment of Mull's Grape Tonic completely cured him. He recommended it to old soldiers so many of whom suffer with the same complaint. Mr. McCurdy, of Troy, Ohio, was one of the greatest sufferers that ever came to our attention. There apparently wasn't an organ of his body free from disease: Liver Trouble, Stomach and Kidney Trouble, terrible piles that kept him in agony.

Bowels would not act for days, heart action bad, emaciated, run down and completely discouraged. He resorted to every known means, doctors, remedies, baths, etc., all to no avail. He says: "Soon after I started Mull's Grape Tonic my bowels began to act regularly, the pain left me, and my general health built up rapidly. I heartily recommend it as an absolute cure to which I am a living witness."

These are only a few of the very worst cases of the thousands cured by Mull's Grape Tonic.

We can cure you, no matter how bad off and to prove it we will send you without cost a bottle of Mull's Grape Tonic and instructions how to use it. The digestive organs are strangely subject to the curative power of Mull's Grape Tonic.

There is no scheme about this, but a fair, square chance for you to test this grand treatment for yourself, in your own home without cost.
If you have Rheumatism, Stomach, Bowel, Kidney, Lung and Heart Trouble, Indigestion, Dyspepsia, cold, fever, diarrhoea, loss of sleep and strength, run-down Piles, apoplexy, asthma, bad blood, dizziness, bad complexion, etc., remember they are the result of Constipation and Mull's Grape Tonic will cure you. It is a splendid Tonic just as Dr. Dill states. Everybody should use it. Typhoid fever and appendicitis are unknown in families where Mull's Grape Tonic is used. You need such a Tonic, begin to-day.

Don't wait but send now for this free offer and get well. Good for ailing children and nursing mothers.
