

The Food Value of a Soda Cracker

You have heard that some foods furnish fat, other foods make muscle, and still others are tissue building and heat forming.

You know that most foods have one or more of these elements, but do you know that no food contains them all in such properly balanced proportions as a good soda cracker?

The United States Government report shows that soda crackers contain less water, are richer in the muscle and fat elements, and have a much higher per cent of the tissue building and heat forming properties than any article of food made from flour.

That is why **Uneda Biscuit** should form an important part of every meal. They represent the superlative of the soda cracker, all their goodness and nourishment being brought from the oven to you in a package that is proof against air, moisture and dust—the price being too small to mention.

LEIBER-LEMING—At the M. E. church, Monday evening, October 16, at 8 o'clock, Roy Wayne Leiber of Geneseo, Ill., Miss Helen A. Leming of Broken Bow. Rev. J. R. Teagarden officiating, assisted by Rev. Chamberlain.

The bride is one of Broken Bow's popular young ladies who has grown up in our midst. She is the daughter of Mr. and Mrs. J. G. Leming of this city.

The groom is a stranger to us but we understand that he is a young man of fine reputation and is engaged in the shoe business at Geneseo, Illinois. His father is a capitalist.

The bride was elegantly arrayed in taffeta silk trimmed in Irish point lace and carried bride's roses. The groom wore the conventional black.

Preceding the ceremony Miss Abbie Langson sang "O Promise Me!" which was followed with a wedding march entitled "Loehengrins" which was played by Mrs. Langson. Following them Revs. Teagarden and Chamberlain entered, who were followed by the groom and best man, Clyde Ellis, from the opposite door. The third to enter was the maid of honor, Miss Alice Leming, the twin sister of the bride. She wore a cream silk mulle, trimmed in embroidered cheffon, carrying pink roses. Following her was Marion Lomax carrying the wedding ring on a branch of roses, who was followed by the bride on the arm of her father, J. G. Leming.

The ushers were Misses Olive Pickett, Edith Lomax, Jean Campbell, all carrying pink carnations.

After the ceremony a supper and reception for the bridal party was given at the home of the bride's parents.

The contracting parties were the recipients of about seventy-five fine and valuable presents.

The church was handsomely decorated for the occasion in white, pink and green.

There were one hundred and twenty-five invited guests. Mr. and Mrs. Leiber leave to-

day on 42 for their future home in Geneseo, Illinois.

W. T. Sherr of St. Louis, arrived in the city last Friday morning to visit his daughter, Mrs. W. G. Purcell. He is on his way to Santiago, California, to spend the winter. This weather brings reminders of last winter's coal bill.
