CONVINCING EVIDENCE

That Dr. Williams' Pink Pills Will Cure

Rheumatism. "People can cure themselves of a good many common ailments at a very small cost if they go about it the right way," I have just cured myself of a very painful disease. I might have begun to treat it sooner, that's all the mistake I made in the matter. But I found the root of the difficulty and I picked out the right remedy without the aid of a doctor.

"It was really all in my blood. I first felt a twinge in my left foot and ankle in the middle of last January, following exposure to cold. I realized I had rheumatism and I knew that really comes from bad blood. Cold simply develops it. Then my hands and feet were cold and clammy even in hot weather, and numb a great part of the time. I concluded that my blood was thin and poor and the circulation sluggish.

"When I read of the cures of all kinds of blood diseases, that had been effected by Dr. Williams' Pink Pills, I was con-vinced that they were just the remedy for my case, and so it proved. I could The December chapters see that they were benefiting me before I had quite used up the first box. The improvement was decidedly marked after I had taken two boxes. Three more boxes restored my hands and feet and then I stopped taking medicine and have since been perfectly well."

Mr. F. Le Roy Hoar lives at No. 132 Constitution street, Bristol. R. I. Any one can get convincing evidence that Dr. Williams' Pink Pills have cured simply writing to the Dr. Williams Medicine Co., Schenectady, N.Y.

European Breakfasts.

Mark Twain, in speaking of the typ-Ical European breakfasts, said. "Do you know what I'll do? I'll nail a piece of cuttle-fish bone to the chimney, and every morning I'll hop up on the mantel and take a pick at it with a tin bill. It will be just as filling and much cheaper than a European break-

fast." It is evident that Mr. Clemens prefers the typical American breakfast dish of Pillsbury's Vitos with good cream and sugar.

Use the Means at Hand.

It is not money so much as brains that the small merchant wants for advertising-the handicap of deficient capital is as nothing compared with the handicap of defective thinking. Whatever excuse may be given for falling in business, the lamest of all is "lack of means to advertise," because the business does not exist that cannot be exploited profitably with the means at hand.

Valuable Pair of Scissors.

The German emperor not long back received a pecular present-a pair of scissors, but so exquisitely made as to be valued at nearly \$500. A steel merchant was the giver. He had the emperor's portrait and some celebrated historical buildings engraved on the scissors. The engraver is said to have worked five years at his task.

Belgium's Good Work.

Though Belgium has an area of but 11,373 square miles, which is less than one-fourth the size of the state of New York, and a population of only 6,500,000, it has accomplished within twenty years a mighty task, opening up to the world a vast territory covering an area of 800,000 square miles with a native and white population of about 30,000,000.
