**J. G. BRENZER, Breeder of**

Pure Scotch and Scotch Topped Short Horn  
Cattle. My herd numbers 40 cows. Will com-  
pare in breeding and quality with any west of  
Chicago. My experience has taught me that to  
give good satisfaction, breeding cattle must be  
raised in this climate. I expect to  
raise them here the equal of anything  
raised in the U. S. I now have 25 bulls suitable  
for this and next year's service. My cows  
weigh from 1400 to 2000 pounds. Come and see  
them.
