

## IN AND AROUND BROKEN BOW

An Epitome of Personal Affairs and Local Events During the Past Week.

The funeral of Mrs. W. P. Wilson of Georgetown, who died at the residence of Dr. W. E. Talbot last week, where she was being treated for pneumonia, was held at the M. E. church Sunday.

Miss Sadie Norcutt left Monday morning for Edgemont, S. D. to which place she accompanied her friend Mrs. Charlie Shaw. As she will stay several months she requested that the REPUBLICAN be sent to her new address.

Rev. C. V. Allison, formerly Pastor of the Church of Christ of this place, now located as pastor at Cozad, was in the city renewing acquaintances. The REPUBLICAN acknowledges a friendly call Tuesday.

The Lecture Tuesday night at the Baptist church by Rev. and Mrs. Levack on Egypt, where they labored for three years as missionaries, was highly interesting and well received by a fair sized audience that greeted them.

Harry Kimball has bought the undertaking stocks of goods owned by Rockwell & Konkell and the stock owned by George Willing and will engage in the undertaking business on his own account. He will be located in the Opera block on the north side of town.

Warren Lang of the West Table was a city visitor Tuesday morning on his way to Omaha and his old home in Iowa. He had started to Omaha with a load of cattle, but finding a satisfactory market before he loaded at Meria he sold his cattle, but was to accompany them to Omaha.

A. E. Andersen, of Illinois, who two or three years ago bought the Kopp farm in Rose Valley called yesterday to have the address of his paper changed to R. F. D. No. 2, Broken Bow. Mr. Andersen has located on his farm with the view of building up a home. The REPUBLICAN extends a welcome to him.

Jesse Gandy who recently sold his farm of 720 acres for \$20 an acre to H. H. Squires was a business caller at this office Saturday. He informs us that his reason for selling was poor health. He was in Saturday to have an X-ray examination of the throat and stomach which are affected. He has not yet decided what he will do. He expects to move back to Broken Bow and if his health improves he will engage in business.

W. J. Woods and wife left Sunday morning for the Pacific Coast to make proof on their timber land on which they filed on when out at Portland last summer. We understand they each filed on 160 acres of heavy timber land, on which they will receive a patent on paying \$2.50 an acre. Mr. Woods expects to be back in about three weeks. Mrs. Woods will probably remain in the west. Their son Harry remained here to look after the affairs of the home during Mr. Woods' absence.

Great interest is being manifested in Nebraska in the coming meeting of the State Association of Commercial Clubs, which is to be held in Omaha on February 20th and 21st. The initial meeting at which the association was organized was held in Fremont a year ago and there was a splendid response to the invitation of the Fremont Commercial Club, indicating that there was a very general desire in the state for some sort of organization which would enable the various local commercial bodies to interchange ideas and to work together in a practical fashion upon State wide topics. Hon. F. M. Currie, of Broken Bow, is announced as one of the speakers and will address the association on the topic: "Central and Western Nebraska—its present and future."

G. E. Cadwell shipped three registered Duroc gilts and one boar this week to S. C. Reynolds of Crow Agency, Montana.

J. A. O. Thomas, proprietor of the Steam Laundry, has bought the Southwest corner lots of Mrs. J. W. Brewer, on which he will build in the spring. He will put up a building 24x80 feet and equip it in first-class manner for his increasing business.

Luther Miller of Cambria, Iowa, is in the vicinity with the view of buying another car load of horses for the eastern market. He is accompanied by Otto Nelson who brought with him a fine coach stallion for sale. They went to Alliance Monday night to attend a horse sale there Tuesday.

Company M, Nebraska National Guards, announce their Seventh annual ball for Thursday night, February 22nd—Washington's birthday—at the Opera house. The soldier boys annual ball is noted for its brilliancy and general good time, and this will, they say, eclipse any former one. They extend an invitation to the public to attend.

Mrs. Pickett wife of Dr. C. Pickett received word Tuesday by Telegram of the death of her father, Elihu W. Pemberton, of Grant County Ind, who died Tuesday the 5th. The deceased accompanied by his wife were here visiting his sister and numerous friends four years ago. He was in his 68th year and has for a long while been prominent in the affairs of the county. At the time of his death he was County Commissioner.

Alvin Burk and Lute Sheppard have arranged to embark in the grocery business on their own account. They have leased a store room in the Realty block, recently occupied by the Singer Sewing machine Co., which is being fitted up for them. They expect their stock of goods by Saturday. Both Messrs Burk & Sheppard are experienced in the grocery business and with their experience and extensive acquaintance we predict for them a fair share of the public patronage.

A cold wave reached Broken Bow last Saturday evening after a beautiful, balmy and spring-like day. Sunday a strong cold wind from the north prevailed, shifting and bearing down with equal strength from the south Monday. The mercury did not so far as we have been able to learn, reach a lower point than 5 degrees below zero, but the cold wind caused many to believe it was at least a dozen notches under. The winter has been so exceptionally nice, however, and residents were expecting just such a procedure by the weather, hence were prepared for its coming. Since sunrise Tuesday spring weather has again prevailed.

The first and last pages of THE REPUBLICAN are printed Wednesdays. Advertising copy for either of these pages must be handed in not later than Tuesday afternoon. The inside pages are put on the press Thursdays noon. Notices and advertisements for these pages should be placed in the hands of the printer not later than Wednesday evening to insure publication the current week. Recently a number of church and society notices have not been brought to the office till noon Thursday and were, consequently, too late. We want all the news we can get, but we cannot, in justice to either ourselves or subscribers, delay the hour of putting the forms on the press.

We note from the Semi Weekly Times of Alliance that the new Baptist church of that place is to be dedicated next Sunday at 11 o'clock. Rev. S. C. Batten, D. D., pastor of the First Baptist church of Lincoln is to preach the dedicatory sermon. Rev. E. W. White, the Evangelist, is to commence a series of meetings there tonight and will be present at the dedication.

Grant, Aurora, Mo.; Mr. and Mrs. Perry, Sulphur Springs, Ark.; H. T. Gates, Galveston, Tex.; Mrs. Foxworthy and family, Balesville, Ark.

The new time schedule, concerning which there has been so much surmising the past month, goes into effect next Sunday, and the two additional through trains will be added to the list. **A Pleasant Surprise.**  
About 45 of the friends of B. D. Allen and wife of Comstock, surprised them February 1st, by gathering at the new residence recently completed on their farm at Wescott and occupied by themselves and their two youngest children. With the visitors were filled baskets of the good things to eat and better by far the well wishes and words of good cheer of neighbors of nearly a quarter century. The day was spent visiting, singing and feasting. They parted with a remembrance of one more bright spot to look back to as time speeds on.

**Killed in Mine.**  
U. L. Ward, formerly of this place, was killed recently in a coal mine in Missouri by being crushed with the mine caving in upon him. His death occurred the latter part of January, but the news did not reach here until yesterday, when a letter was received by Postmaster Jewett, making inquiries about his relatives.

**Baptist Church.**  
Services next Lord's day in the Baptist Church at 11 a. m. and 7:30 p. m. Rev. Pope, General State Missionary, will preach both morning and evening. A cordial invitation is extended to these services.

**Struck the Wrong Man.**  
Last Friday morning as the early morning train was pulling up, Harry Tierney was walking along by the train intending to go east. He inquired of the conductor how soon the train would pull out, and was answered by several blows over the head with the conductors lantern. His face was cut in several places and the collar bone fractured. A warrant was issued for the arrest of the conductor but on learning he had assaulted a citizen instead of a bum he came back and settled the matter out of court. He explained he had had several encounters during the night with bums and he took Harry to be one of them.
