**Patronizing catalogues is a bad habit.**

We wouldn't think for a moment of buying our stock by mail. We want to SEE what we are buying.

Want to examine it critically. Want to judge of its worth actually not from a picture in a book.

We somehow think it would be more satisfactory for the public to follow that plan.

Here is a jewelry stock all ready for your examination.

Styles are identical with what the large city stores are showing, and prices are, if anything, lower.

## Decoration Day Proclamation

Issued by Mayor George Requests a Cessation of Labors,

And an Observance of the Day by Citizens Generally.

Not only in accordance with time-honored customs, but actuated by patriotic sentiment and profound respect for our national soldiers, living and dead, the citizens of Broken Bow will observe Decoration Day with suitable services and the decoration of soldiers' graves in the cemetery. That the day may rightly be observed and the general public for which it is set apart be taught to the greatest extent, I ask that the places of business and amusement in the city be

closed on that day between the hours of 12 and 4 p. m.

The laws of our state prohibit any and all games and sports on that day. Let the inhabitants, old and young, enter into the observance of this day and its ceremonies to the end that each and every one may become a more loyal and better citizen.

The public, as well as all civic societies of the city are requested to meet at the south side of the public square at 10 a. m. on Decoration Day to join with the G. A. R. and W. R. C. in forming a procession to march to the Broken Bow Cemetery, under escort of Co. M. 1st Reg. Nebraska National Guard, to decorate the graves of our departed heroes.

W. A. GEORGE, Mayor.
