Tibetan Printing.

Great printing works are established at Nartang, in Tibet. A correspondent says: "There are thousands and thousands of blocks at Nartang, comprising matter in type equivalent to numerous different volumes. Each wooden block is about 24 inches long by 12 inches wide, one face having carved upon it a complete page of lettering. The method of printing is primitive in the extreme and consists of laying the paper on a flat surface and levering the block upon it with a long handle much as the village blacksmith works his bellows."

Long and Remarkable Life.

Suffold tells us of a remarkable record of an old man of his acquaintance employed by Mr. William Lodge, of Gorleston-on-Sea. This old gentleman began his working life as a farm laborer 71 years ago, before Queen Victoria came to the throne, and at 81 he can still drive a plow as well as most men of half his years. Almost more remarkable is the fact that although he has spent practically all his long life within sight of the sea he has never been on it, nor has he ever been inside a train.—Tit-Bits.

MAYOR OF SUNBURY

Says *Pe-ru-na* Is a Good Medicine.

Hon. C. C. Brooks, Mayor of Sunbury, Ohio, also Attorney for Farmers' Bank and Sunbury Building and Loan Co., writes:

"I have the utmost confidence in the virtue of *Peruna*. It is a great medicine. I have used it and I have known many of my friends who have obtained beneficial results from its use. *I cannot praise Peruna too highly.*"

HON. C. C. BROOKS.

There are a host of petty ailments which are the direct result of the weather.

This is more true of the excessive heat of summer and the intense cold of winter, but is partly true of all seasons of the year.

Whether it be a cold or a cough, catarrh of the head or bowel complaint, whether the liver be affected or the kidneys, the cause is very liable to be the same.

The weather slightly deranges the mucous membranes of the organs and the result is some functional disease.

Peruna has become a standby in thousands of homes for minor ailments of this sort.

TABLE DELICACIES

SOME NEW AND OLD RECIPES OF VALUE.

Oatmeal Bread Will Be Appreciated by Those Fond of This Cereal—Ingredients for Batter Pudding.

OATMEAL BREAD.—Put one heaping cup of dry rolled or flaked oats into a mixing bowl, add a rounding tablespoon of butter or lard, one level teaspoon of salt, two cups of boiling water, and let stand until lukewarm, then add one-half cup of molasses, one-half cup of lukewarm water, and enough flour to make a drop batter. Cover and let rise one hour. Now mix stiff with flour and let rise over night. In the morning mold into loaves, using as little flour as possible. Put into pans, let rise, and bake well in a moderate oven.

CRANBERRY MINCE PIE.—Chop fine one cup of cranberries and one-half cup of seeded raisins. Line a plate with paste and put in the berries and raisins mixed. Sprinkle with one cup of sugar and a slightly rounding tablespoon of flour, add one-half cup of water to which is added one-half teaspoon of vanilla and a pinch of salt.

GOOD COOKIES.—Cream one cup of butter and two cups of sugar, add three tablespoons of milk and one rounding tablespoon of caraway seed. Sift two cups of flour with three level teaspoons of baking powder and add to the first mixture and more flour if needed for a soft dough. Shape into little balls, lay on a baking pan some distance apart; press out thin and bake.

CHEESE CREAM TOAST.—Toast six slices of bread and cover lightly with grated cheese. Make two cups of white sauce. Set the bread and cheese in the oven for a few minutes, then pour the sauce around and serve at once.

STEAMED BATTER PUDDING.—Beat two eggs and one rounding tablespoon of sugar together, add one cup of milk, one tablespoon of melted butter, and two cups of flour sifted with three level teaspoons of baking powder. Beat well and pour over one cup of stewed and stoned prunes in a buttered mold. Steam one hour and a quarter and serve with a hot liquid sauce.

MULLED JELLY.—Take one table-spoonful of currant or grape jelly, beat with it the white of one egg and a teaspoon of sugar. Pour on it a teacupful of boiling water and break in it a slice of dry toast or two crackers.

AMSTERDAM PUDDING.—Pour one cup scalded milk over one cup fine cracker crumbs, add one table-spoonful butter, mix two table-spoonfuls cocoa with one-half cup sugar, add it to the milk, one table-spoonful vanilla, and the whites of four eggs beaten very stiff; boil in a buttered melon pudding mold one hour. Serve hot with a yellow sauce.

ONIONS IN DELICIOUS STYLE.

Variation from Usual Form in Which They Are Served.

Bermuda onions and the silver-skins grown in this country, which are nearly as good, are delicious when pierced with a fork. Drain and place in a shallow buttered baking pan; pour over enough milk to cover (about one cup), into which has been stirred a tablespoon of tapioca; add a half teaspoon of butter, a teaspoon of salt and a dash of pepper. Place in the oven and bake until a light brown on top, about 20 minutes. Serve in the same dish. This is a change from the ordinary creamed onions; the tapioca is a delightful addition.

The ordinary method for baking by putting in a pie tin with an inch of water and letting cook in a slow oven brings toothsome results. Stewed onions when parboiled are relieved of the odor and aftermath of taste that annoys some people.

Value of Old Gloves.

The house worker should never throw away her old gloves, particularly her old white gloves. They are most useful in protecting the hands while dusting, sweeping or wiping dishes. As women often complain that they feel clumsy in doing their work with gloves on, by simply cutting away the finger tips this sensation is overcome. A very good pair of gloves which laces up the palm of the hands and is bought several sizes larger than the ordinary wearing glove is the ideal working glove. But large old gloves do as well.

Cheese Biscuit.

Roll some puff paste out thin and sprinkle over it a dash of cayenne and dry grated cheese to cover it; double up the paste, roll it out again and cut it with a small round cake cutter, says a writer in *What to Eat*. Brush over the biscuit with an egg, lay them on a floured tin and bake in a hot oven to a very pale brown. Any stale bits of cheese may be pleasantly used in this way.

Worth Remembering.

If you have a splinter in your finger don't poke about with a pair of tweezers or a needle, but make a plaster by crushing some soap on to a piece of rag, sprinkle a little sugar over it, mashing it together with the end of a teaspoon. This plaster applied to the wound at night will draw the splinter, however deeply it may have entered, to the surface by the morning, so that it can be pulled out with the fingers

EFFECTIVE REMEDY

SIMPLE FORMULA WILL BREAK A COLD OVER NIGHT.

Prescribed by Well-Known Specialist in the Cure of Consumption—Can Be Prepared by Anyone.

Here is a simple and effective remedy for coughs and colds: Mix a half ounce of the Virgin Oil of Pine (Pure) with two ounces of glycerine and a half pint of good whisky. Shake well and take in teaspoon doses every four hours. This formula is said to be very effective, being the prescription of an eminent authority. It will break up a cold in 24 hours, and cure any cough that is curable.

The ingredients for this prescription can be found at any good drug store, but care should be taken that only the pure Virgin Oil of Pine should be used. This is put up only in half-ounce vials for dispensing, securely sealed in a round wooden case with engraved wrapper, having the name—Virgin Oil of Pine (Pure), prepared by Leach Chemical Co., Cincinnati, O.—plainly printed thereon.

The cheaper oils and those sold in bulk only create nausea and have no effect whatever upon the bronchial tubes.

PETS FOR LITTLE PARISIANS.

All Kinds of Animals as Playmates for the Children.

Children play a great role in French society, as all those who have read Gyp's inimitable "Ptit Bob" will readily admit, and now the small Parisienne insists on receiving on her fete day and at the New Year a live pet, instead of a costly doll or a mechanical toy. The demand has been creating a supply, and a lively trade is being done, not only in puppies and kittens, in tiny monkeys and in lambs, but also in tigers and leopards. Up to a certain age, these small felines are quite harmless, and, of course, as soon as they begin, so to speak, to show their teeth and sharpen their claws, they are sent off to one of the two magnificent "Zoos" with which the Gay City is provided.

TWO SISTERS HAD ECZEMA.

Cuticura Cured Scalp Troubles of Two Illinois Girls—Another Sister Took Cuticura Pills.

"I must give much praise to all the Cuticura Remedies. I used but one cake of Cuticura Soap and one box of Cuticura Ointment, as that was all that was required to cure my disease. I was very much troubled with eczema of the head, and a friend of mine told me to use the Cuticura Remedies, which I did, and am glad to say that they cured my eczema entirely. Since then we have always kept the soap on hand at all times. My sister was also cured of eczema of the head by using the Cuticura Remedies. Another sister has used Cuticura Resolvent and Pills and thinks they are a splendid tonic. I cannot say exactly how long I suffered, but I think about six months. Miss Edith Hammer, R. F. D. No. 6, Morrison, Ill., Oct. 3, 1906."

Sweet Amenities.

"I hope you won't be disappointed, dear, for I know everybody thought George was paying attention to you. But as a matter of fact, he asked me last night to marry him."

"He has then carried out his threat, poor fellow!"

"What threat?"

"He declared to me the last time I refused him that he would take some desperate step."

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it is swollen, and the normal condition is destroyed, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

AWFUL ATTACKS OF PAIN.

A Most Dreadful Case of Kidney Trouble and How It Was Cured.

Thomas N. McCullough, 321 South Weber St., Colorado Springs, Colo., says: "For twelve or fifteen years I was suffering frequent attacks of pain in the back and kidneys that lasted for three weeks at a time. I would be unable to turn in bed. The urine was in a terrible condition, at times a complete stoppage occurring. I began with Doan's Kidney Pills, and soon felt better. Keeping on, I found complete freedom from kidney trouble. The cure has been permanent. I owe my good health to Doan's Kidney Pills."

Pigeons Aid Physicians.

Carrier pigeons as aids to a physician are reported from the north of Scotland. The doctor has a scattered practice, and when on long rounds he takes several pigeons with him. If one of his patients needs medicine immediately he writes out a prescription, and by means of the bird forwards it to his surgery. Here an assistant gets the message, prepares the prescription and dispatches the medicine. If after visiting a patient the doctor thinks he will be required later in the day, he simply leaves a pigeon, with which he can be called, if necessary.

Incorporate the Digestion.

To invigorate the digestion and stimulate the torpid liver and bowels there is nothing so good as that old family remedy, Brandreth Pills, which has been in use for over a century. They cleanse the blood and impart new vigor to the body. One or two every night for a week will usually be all that is required. For Constipation or Dyspepsia, one or two taken every night will afford great relief.

Brandreth's Pills are the same fine laxative tonic pill your grandparents used and being purely vegetable are adapted to every system.

Sold in every drug and medicine store, either plain or sugar-coated.

Starch, like everything else, is being constantly improved, the patent Starches put on the market 25 years ago are very different and inferior to those of the present day. In the latest discovery—Defiance Starch—all injurious chemicals are omitted, while the addition of another ingredient, invented by us, gives to the Starch a strength and smoothness never approached by other brands.

In the Matter of Tips.

The man who tips the highest gets the best service and the most ostentatious deference. "Give this to the cook," said a St. Louis parvenue, handing one dollar to the waiter with his order, "and tell him to cook it my way." "Give this to the cook," said a scribe at the next table, handing a two dollar bill to the waiter with his order, "and tell him to cook it his own way, for he is a better cook than I am." We will not be outshone. We will not shrink in any man's shadow. At the same time the pace is too hot and fast for most of us.—St. Louis Globe-Democrat.

HEALTH AND SPIRITS

Are Restored by Dr. Williams' Pink Pills in Cases of Debility and Despondency.

General debility is caused by mental or physical overwork with imperfect assimilation of nourishment, or by some acute disease from which the vital forces have been prostrated and the entire organism weakened so as not to rally easily. To restore health it is necessary that the blood should be purified and made new.

The case of Mrs. E. M. Spears, of 92 Mt. Pleasant street, Athol, Mass., is a common one and is given here in order that others may be benefited by her experience. She says: "I had been sick for a year from indigestion and general debility brought on by overwork and worry. I had tried many remedies, but found no relief. I suffered from swelling of the limbs, loss of appetite and dizzy spells, which became so severe towards night, that I sometimes fainted away. I was bilious and my hands and arms would go to sleep for an hour or two at a time. I was so sleepy all the time that I could hardly keep awake. I had frequent cramps in my limbs and severe pains at the base of my head and in my back. My blood was impoverished. I was afraid to give up and go to bed fearing that I would never get well."

"About this time Dr. Williams' Pink Pills were recommended to me by a friend in South Vernon, Vt. I felt better soon after beginning the treatment and continued until I was entirely cured. I consider Dr. Williams' Pink Pills a grand medicine for weak women."

Dr. Williams' Pink Pills are sold by all druggists, or sent, postpaid, on receipt of price 50 cents per box, six boxes \$2.50, by Dr. Williams' Medicine Company, Schenectady, N. Y.

NATURE PROVIDES FOR SICK WOMEN

a more potent remedy in the roots and herbs of the field than was ever produced from drugs.

In the good old-fashioned days of our grandmothers few drugs were used in medicines and Lydia E. Pinkham, of Lynn, Mass., in her study of roots and herbs and their power over disease discovered and gave to the women of the world a remedy for their peculiar ills more potent and efficacious than any combination of drugs.

Lydia E. Pinkham's Vegetable Compound

is an honest, tried and true remedy of unquestionable therapeutic value. During its record of more than thirty years, its long list of actual cures of those serious ills peculiar to women, entitles Lydia E. Pinkham's Vegetable Compound to the respect and confidence of every fair minded person and every thinking woman.

When women are troubled with irregular or painful functions, weakness, displacements, ulceration or inflammation, backache, flatulency, general debility, indigestion or nervous prostration, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound.

No other remedy in the country has such a record of cures of female ills, and thousands of women residing in every part of the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound and what it has done for them.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. For twenty-five years she has been advising sick women free of charge. She is the daughter-in-law of Lydia E. Pinkham and as her assistant for years before her decease advised under her immediate direction. Address, Lynn, Mass.
