TWENTY-FIFTH ANNIVERSARY OF THE CUSTER CO. REPUBLICAN

With this edition the REPUBLICAN completes its twenty-fifth year of existence. It was established in June, 1882, by R. H. Miller, in a sod house—an illustration of which is here printed—which stood upon the present site of the Broken Bow State bank. In the first number of the REPUBLICAN Editor Miller said:

"The town was located during the month of April, this year, by James Gandy and the first building erected was the residence and office of the Custer County Republican, which was occupied April 4th, but not completed. Previous to this James Gandy built a log building on his pre-emption adjoining the south side of the townsite. There are now nine buildings in the town and what has been done has been completed within about sixty days, and during that time wet weather and bad roads were contended with."

In March, 1887, D. M. Amsberry succeeded Mr. Miller and has continued publishing the REPUBLICAN the past 20 years in a frame building 100 feet north of its first home.

Drug Store Facts

There are so many things about drugs and a drug store, which require years to learn. You cannot be expected to know much about any of these matters.

It is your druggist's business to know, and to know surely and positively all about the drugs he sells. If he does not know, it is his fault, and you should hunt for and trade with some one that does know.

Mastered Details.

Our business is drugs and we claim to have thoroughly mastered the details of this business. We are exerting every energy to running our drug store as you would like to see one run, if you knew all about drugs and drug stores.

Almost every one would like to patronize a drug store where he knows these conditions prevail. Many people are not sure they know of such a drug store.

Our Highest Ambition.

To deserve and get your entire confidence, when it comes to a matter of drugs, is our highest ambition.

We want you to trust us. This point gained we know we can depend on your drug wants being supplied at our store.

It is indeed gratifying to be able to say that our efforts are being amply rewarded.

Proof of Appreciation.

Our rapidly increasing general business, and especially the fact that our prescription business is showing remarkable gains, is clear proof that an earnest, honest, intelligent effort seldom fails to bring prompt reward.
