Reception to Senator Burkett.

On Wednesday evening, June 19, a public reception will be given to Senator Burkett, and to the faculty of the Junior Normal, at the Temple Theater. All citizens are invited to be present, and to become acquainted with these gentlemen and ladies. Senator Burkett has expressed a desire to meet the representative citizens of Broken Bow and vicinity, and especially the leaders of all the political parties. Now don't say you have been overlooked or slighted, for if you are a citizen or a politician you are invited to accept this invitation. Neither is this an intimation that a politician can not be a citizen and a good one. Turn out, and let us show the Senator and the instructors of the Junior Normal a good representation of the people of Broken Bow and surrounding country. The reception will begin at 8 o'clock, and continue as long as seems expedient; after which Senator Burkett will give an address to those present.

How the Trust Prices on Abstracts Work.

A business man in Broken Bow asked us what we charged for abstracts. We replied, "About three fourths of the trust prices." He says: "Will you give me 20 per cent off from your prices. I get 25 per cent off from trust prices." That's it, put up the prices and give a rebate to obtain business. How would you like to have this business man get an abstract for you? Charge you the trust price and pocket 25 per cent of the fees.

We have one price to all.
