A Splitting Headache

often comes from over-work, and oftener still from over-straining the eye-sight. Nine-tenths of the headaches in humanity to-day are caused by eye troubles. Bring those troubles to me and I will prescribe for you. I will so carefully and correctly adjust glasses to your sight that you will not be troubled any more with headaches of any kind.

Our charges are most reasonable.

The Big Custer County Fair

Many Improvements on the Grounds and Everything will be ready for "The Biggest and Best" Fair

That the coming County Fair will be a great success is now assured. The new amphitheatre is nearly completed. It will have a seating capacity of nearly one thousand and will afford that number of people perfect comfort.

The directors have decided to retain the old rate of thirty-five cents entrance at the gate. This is fifteen cents less than other fairs usual charge. The amphitheatre tickets, however, have been reduced to ten cents.

Good races are now assured. Entries in the trotting and pacing races have already begun and Secretary Haumont has expressed the opinion that we will see mile heats as low as 2:15.

The large number of registered cattle now assured has made it imperatively necessary that a new cattle barn be constructed and a contract for a barn one hundred feet long has been let.

Of all the free entertainments given at the city parks of the large cities in the east, none are more intensely interesting and instructive than moving pictures. The high character and refinement of this class of entertainment is guaranteed by the fact that all Chautauquas produce the moving pictures as a part of their program. The management of the fair has secured this attraction for each evening during the fair and it will be given at the park free to everybody. It is also proposed to send up at night, an illuminated balloonist descending in an illuminated parachute.

The ladies of the city are organizing a floral parade for the fair. This is something that is scarcely ever attempted by cities no larger than Broken Bow, but we can do it. The public spirit of our young ladies can not be equaled. Already fifty equipages have been pledged. Some four-in-hand, others tandem, double and single buggies, pony carts, driven by little girls—all covered with flowers—will make a gorgeous display once seen will never be forgotten.

The five mile relay race, purse \$150.00, will be worth going a long way to see. Fearing the girls could not with safety endure the severe strain of so long a ride, it has been decided that a woman shall ride the first mile, her partner the second, she the third, he the fourth, she finish. Already three young ladies have announced their intention of entering this race. At least two more entries are desired and expected as a number of inquiries have been received. Beyond a question of doubt this will prove one of the most exciting and thrilling races during the fair.

Prairie Hill Happenings.

Mrs. W. R. Gardner, of Gering, Nebr., is visiting here with her niece, Mrs. Thomas.

Mr. and Mrs. Neth spent Saturday and Sunday at the Loup.

Miss Ona Rhoades, visited her brother, Mr. Snyder, on Hunter's ranch last week.

Mrs. Lou Long, of Litchfield, is visiting her parents, Mr. and Mrs. Rains this week.

Grandma Whitney has been quite sick for a couple of weeks.

Zumbrotta Zephyrs.

Mrs. G. J. Martin visited Mrs. Oscar Tappan, one day last week. We are sorry to say that Mrs. Tappan is in very poor health.

John Waring and wife will keep house for Nine McComas while Mrs. McComas is away on her eastern visit.

Will Carson, wife and son, of Geneva, Nebr., visited over Saturday night and Sunday at their old time friends and neighbor, J. L. Koozer.

The Endeavor's of the Christian church started to go to Mr. Koozer's on last Friday evening with a hay rack heavily loaded with people, and as it was to be a box social they also had a number of boxes. When just east of Mr. Sands, one of the wheel's couldn't keep inside the

tire any longer, so consequently they had a rather hard time to proceed on their way, the most of them finishing their journey by walking. About fifty were present, a good time is reported, and proceeds amounted to \$29.25. The party was very thankful to Mr. McComas who loaned them a wagon to return home in the wee hours of the morning.

Miss Olive Cole attended the social at Mr. Apple's in the Bow last Friday evening.

W. W. Bishop's father and niece left last Monday morning for their home in Piper City, Illinois, after having a very pleasant ten days visit here.

Miss Olive Cole is enjoying a few days visit with her friends, Jessie and Maud Apple, of the Bow.

Dry Valley Doings.

A series of meetings will be held at the Coburg school house, conducted by Rev. Hoff, beginning Sept., 8th.

Mrs. George Doober is again on the sick list. Mrs. D's health has not been good since last spring.

Hay making is the order of the day.

The ground is too dry for fall plowing and rain is needed for stirring the ground.

Mr. Clausen marketed hogs this week that averaged 400 lbs each. At the present price a load brings a good bunch of lucre.

Harv Mattox bought a horse last week.

Mrs. Ed. Twombly had the misfortune to step on a nail which has caused a painful wound.

The 18th Annual Farmers Club Picnic will be held at Will Murray's grove in Lee Park the 22nd inst.

The Farmers club meets at the residence of Mr. Ed. Spooners the third Saturday in September.

A Normal Department.

Grand Island Baptist College has a Normal department the same as State Normals. Teachers follow the same courses and get same credit as at State Normals. also state certificates at the completion of the respective courses without special examinations. Observation and practice work is given in the city schools of Grand Island.

Tuition \$27 per year; board \$2.25 per week; rooms heated and lighted 75c per week.

School begins Sept., 10, 1907.

Principal of Normal Dept.,

VanCamp's
BARB-WIRE
Liniment.

When your horses get cut in the wire the best liniment is none to good, VanCamps is the best, to prove this I sell to anyone who has never used it, one bottle and guarantee it to give positive satisfaction or money refunded.

It is a good plan to keep a bottle on hand as this time of the year when you are changing pastures you are liable to need it at a moments notice.
