Thursday, Sept. 12, 1907.

The rest of the country will watch the experiment of Georgia with its public utilities commission.

When the lamentations last spring over the tardy weather were loudest the REPUBLICAN endeavored to bring cheer and comfort to the farmers with the statement that nature always provided a full season for the growth and development of crops.

The tendency of human nature to shift the responsibility onto someone else is shown to a marked degree in the howl of the Wall street crowd—now reaping the whirlwind for the wind they have sown.

Wall street continues to regard itself with extreme seriousness in respect to its influence on the commercial life of the nation.

Everyone can't be a philanthropist, but all are to a certain degree. Everything that helps the individual should be beneficial to the public in a general way.

It is reported that the primary cost two dollars per vote in Knox county. Huh! that's easy when compared to the price U. S. Senator Wm. H. Clark, of Mont., paid for 'em. Tew toutsan' per wus de leest he tawt uv.

Teachers Wanted.

There is a shortage of teachers in almost every part of Nebraska. Custer County will be in need of fifty more teachers than it now has.

After September 1, 1907, no teacher's certificate will be issued to beginning teachers who have not had normal training.

Custer College can equip you for the active duties of the school room in less time than is possible in other schools.

Bought a New Automobile.

J. S. McGraw, representing the Maxwell automobile, has been preaching to Dr. Pennington and endeavoring to have him purchase one of the best auto manufactured—the Maxwell—and finally succeeded in getting him to consent to go to Omaha and inspect the "masheen."

Arriving in Omaha Monday morning they visited the garage where only one Maxwell was left, but a car load expected in a few days. However, the one was duly warmed up and after touring Omaha for the space of an hour Dr. Pennington informed the general in command that he had sold a machine and possession was given at once.

At 3 o'clock Monday afternoon the party left Omaha for home in the "bilious" and at supper time they had reached Duncan, a distance of 101 miles. Here they put up for the night, starting again at 8:30 a. m., Tuesday, reaching Broken Bow at 8:30 that evening having covered the distance of 150 miles that day.

It is the greatest pleasure that Mgr. Groat, of the Broken Bow Opera house, is at last able to announce to the people of this city that he has been able to secure the Famous Arington's Comedians, to again fill the fair date.

They play a concert in the Opera house every evening, in addition to their regular music, from eight to eight-thirty. The opening play will be one of the strongest bills ever written in four acts entitled, "An American Girl."

It Quiets the Cough

This is one reason why Ayer's Cherry Pectoral is so valuable in consumption. It stops the wear and tear of useless coughing. But it does more—it controls the inflammation, quiets the fever, soothes, and heals. Sold for 60 years.

"Ayer's Cherry Pectoral has been a regular life preserver to me. It brought me through a severe attack of pneumonia, and I feel that I owe my life to its wonderful curative properties."

Hasten recovery by keeping the bowels regular with Ayer's Pills.

A Church Wedding.

Mr. Maurice T. Ryerson and Miss C. B. Job, both of this city, were united in marriage at the Christian church, Sunday night at 8:45 p. m.

The ceremony was performed in the presence of a crowded house though we are informed that it was intended to be a surprise.

The groom is a member of the firm of Ryerson Bros. Co., one of the leading grocery firms of the city, a steady young man of integrity and excellent business qualities.

The bride has resided in this city for about ten years, is a practicing physician, and by industry and aptness in her calling, has gained a large practice.

They went to housekeeping immediately at the home of the bride where they will reside in the future.

The BEACON joins the many friends of this deservedly popular couple in wishing them a long, happy and prosperous voyage on the matrimonial sea.

"Wyoming" Monday Night.

Don't fail to see the Wolford Stock company at the Temple theatre Monday night where they present the newest and best of comedy-dramas of Western life, entitled "Wyoming."

"Wyoming" is said to be equal in every respect to the great Western play "Arizona," which had such a phenomenal New York and Chicago run.

"Wyoming" is a play full of western social life, manners, customs and characteristics. Plenty of thrilling climaxes, western humor, and human sympathy. A comedy with a plot—a drama with a laugh for every sigh—sometimes two. Seats now on sale. Ladies free on Monday night when accompanied by one paid ticket purchased before 7 p. m., Monday.
