The county clerk reported that he
had on file in his office, a petition of
various persons, requesting that there
be submitted to the voters of Custer
county Nebraska, at the general elec-

erection of a new county, to be known
as Noble county, within the territory
of the county of Custer.
The chairman appointed R. R.
Welch, J. E. Grint and Jos. Fenimore
as a committee to check over the
names of the petition from the nw 1/4
known as Noble county.

The committee appointed to investi-
gate the petition of the proposed new
county of Noble made the following
report:
We, your committee, appointed to
investigate the petition of the pro-
posed new county of Noble, submit
the following report:
We find that the petition contains
515 names, and that four have signed
twice, and two have moved away,
leaving 509 on the petition.
According to the Abstract of Vote,
for the year 1906, furnished us by the
County Clerk, there were polled 845
votes.
We find that the petition contains a
majority of 87 signers.

We further find that the proposed

than 450 square miles.
We therefore recommend, that the
petition be granted, and that the ques-
