Chief Game Warden George L. Carter has received a report from the clerk of Douglas county that 1,185 hunting and fishing licenses have been issued there since the first of the year. Of that number, twenty-nine were issued to non-residents of Nebraska, who paid the regular \$10 fee.

The request of Superintendent Kern of the Hastings asylum to be allowed to buy turkeys for Thanksgiving and for Christmas has been turned down by the board of purchase and supplies on the grounds that turkeys come too high and chickens still taste good. All the other institutions will be notified that the usual Thanksgiving turkey dinner is to be dispensed with.

C. H. Frank, who lived some eight or nine miles southeast of Table Rock, in the corner of the county, committed suicide. He had taken a shotgun and gone out, remarking that he would kill a rabbit, and he crossed over the line into the edge of Nemaha county, and, stepping on the porch of Luther Burrow, one of his nearest neighbors, he placed the muzzle of the shotgun to his head and fired, instantly killing himself.

The state railway commission, in answer to an appeal for justice made by J. W. Haper of Geneva, has reported that his transaction with the Northwestern railroad was purely interstate, and so out of the jurisdiction of the Nebraska commission. Mr. Haper objected strenuously to be compelled by the Northwestern to pay \$117.60 on a carload of potatoes from Hitchcock, S. D., to Geneva. He claims that he was made to pay 30 cents per hundredweight, when the limit is 32 cents.

Two men arrested by Sheriff Dayley of Saunders county, and now in jail at Wahoo, had concealed in their waist belts, collars and around in their coats several bills ranging in 1's, 2's, 5's, 10's and 20's on the Merchants' and Planters' bank of Savannah, Ga., and other banks of the south, and in different parts of their clothing good money and express orders were found. PRESCRIPTION WHICH ANYONE CAN EASILY MIX.

Said to Promptly Overcome Kidney and Bladder Afflictions—Shake Simple Ingredients Well in Bottle.

Mix the following by shaking well in a bottle, and take in teaspoonful doses after meals and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. A prominent physician is the authority that these simple, harmless ingredients can be obtained at nominal cost from any druggist even in the smaller towns.

The mixture is said to cleanse and strengthen the clogged and inactive kidneys, overcoming Backache, Bladder weakness and Urinary trouble of all kinds, if taken before the stage of Bright's disease.

Those who have tried this say it positively overcomes pain in the back, clears the urine of sediment and regulates urination, especially at night, curing even the worst forms of bladder weakness.

Every man or woman here who feels that the kidneys are not strong or acting in a healthy manner should mix this prescription at home and give it a trial, as it is said to do wonders for many persons.

The Scranton (Pa.) Times was first to print this remarkable prescription. In October, of 1905, since when all the leading newspapers of New York, Boston, Philadelphia, Pittsburg and other cities have made many announcements of it to their readers.

Mansfield's Rebuke.

A group of theatrical men were talking in New York about the late Richard Mansfield.

"Mr. Mansfield," said one, was a delightful humorist, a splendid raconteur in society, but at the same time he had a certain proper and becoming sense of his own dignity, and it never paid to be unduly familiar with him.

"He was, as we all know, rather bald. He resented, from barbers, or friends, any allusion to his baldness.

"Well, one night at a party, a man came up behind this great artist, staggered him with a violent slap on the oaken, and exclaimed in a loud, jovial, familiar voice:

"Hello, Dick. How are you? Every time I see you, you get baldier and baldier."

Mansfield drew himself up. He sneered at the other.

"Hello," he said, "I don't know who you are, but every time I see you you get ruder and ruder."

Signs of Long Life.

"Bacon took a deep interest in longevity and its earmarks," said a physician, "and Bacon's signs of long life and of short life are as true to-day as they ever were.

"You won't live long, Bacon pointed out, if you have soft, fine hair, a fine skin, quick growth, large head, early corpulence, short neck, small mouth, brittle and separated teeth and fat ears.

"Your life, barring accidents, will be very lengthy if you have slow growth, coarse hair, a rough skin, deep wrinkles in the forehead, firm flesh, a large mouth, wide nostrils, strong teeth set close together, and a hard, gristly ear."—Minneapolis Journal.

Much the Same.

His Wife—I see by the paper that at a wedding in Oklahoma last week the man promised to obey instead of the woman. I wonder how the marriage will turn out?

Her Husband—Oh, about like any other marriage, I suppose. He probably didn't mean it any more than a woman does when she says it.—Chicago Daily News.

HER "BEST FRIEND."

A Woman Thus Speaks of Postum.

We usually consider our best friends those who treat us best.

Some persons think coffee a real friend, but watch it carefully awhile and observe that it is one of the meanest of all enemies for it stabs one while professing friendship.

Coffee contains a poisonous drug—caffeine—which injures the delicate nervous system and frequently sets up disease in one or more organs of the body, if its use is persisted in.

"I had heart palpitation and nervousness for four years and the doctor told me the trouble was caused by coffee. He advised me to leave it off, but I thought I could not," writes a Wis. lady.

"On the advice of a friend I tried Postum Food Coffee and it so satisfied me that I did not care for coffee after a few days' trial of Postum.

"As weeks went by and I continued to use Postum my weight increased from 98 to 118 pounds, and the heart trouble left me. I have used it a year now, and am stronger than I ever was. I can hustle up stairs without any heart palpitation, and I am cured of nervousness.

"My children are very fond of Postum and it agrees with them. My sister liked it when she drank it at my house, but not when she made it at her own home. Now she has learned to make it right, both it according to directions, and has become very fond of it. You may use my name if you wish, as I am not ashamed of praising my best friend—Postum."

Name given by Postum Co., Battle Creek, Mich. Read "The Road to Wellville," in pkgs. "There's a Reason."

TESTED BY TIME.

A Cure That Has Held Good for Four Years.

Mrs. Mary Crumlish of 1130 West Third Street, Wilmington, Del., says: "Some years ago I began to feel weak and miserable and one day awoke from a nap with a piercing pain in my back that made me scream. For two days I could not move and after that I had backache and dizzy spells all the time. My ankles swelled and I ran down dreadfully. I was nervous and had awful headaches. I wonder that any medicine could do what Doan's Kidney Pills have done for me. They cured me four years ago and I have been well ever since."

JUST WHAT HE WANTED.

Surely Here Were Musical Tastes Enough to Suit Anybody.

A gentleman of the most cultivated musical tastes, wishing to change his residence, advertised for rooms in a private family "fond of music." The next mail brought him the following reply:

"Dear Sir: I think we could accommodate you with rooms, and as for music one of my daughters plays the parlor organ and guitar; another one plays the accordion and banjo; I play the cornet and fiddle; by wife plays the harmonica and my son the flute. We all sing and if you are good at tenor singing you would fit right in when we get to singing gospel hymns evenings, for none of us sings tenor. Or if you plays the base viol we have one right here in the house. If you want music as well as rooms and board we could accommodate you and there would be no extra charge for it. Lippincott's.

FAMILY'S SKIN TROUBLES.

Eczema, Heat Rash, and Scalp Affections Affect Different Members, But Cuticura Cures Them.

"My wife had eczema for five or six years. It was on her face and would come and go. We thought we would give the Cuticura Remedies a trial. We did so and she has never had a sign of eczema for four years. I myself used Cuticura Soap and Cuticura Ointment some time ago for falling hair. I now have a very heavy head of hair. We used Cuticura Remedies for our baby, who was nearly bald when young. She has very nice hair now. She is very fleshy, and we had so much trouble with heat that we would bathe her with Cuticura Soap and then apply Cuticura Ointment, it would dry the heat up so much quicker than anything else. Mr. H. B. Springmire, 323 So. Capital Street, Iowa City, Ia., July 16, 1905, and Sept. 16, 1906."

A Value.

"Nonsense," said the high financier, "we did not sell a worthless franchise."

"But such is current report," ventured the interviewer.

The high financier made a gesture of impatience. "Young man," he returned, severely, "if you got hold of any old franchise that you could unload for two millions, would you regard it as worthless?"

No reply being possible to this, none was made.

Her New Hat.

"I believe Maude is weakening in her championship of the Audubon movement against bird plumage hat trimming."

"What makes you think so?"

"I notice in public, especially at the theater, she is showing the white feather."

Defiance Starch is the latest invention in that line and an improvement on all other makes; it is more economical, does better work, takes less time. Get it from any grocer.

By nature God is worthy of every pains to be acquainted with.—Plato.

Model for Rest of the Force.

While Oil City cannot, perhaps, boast of being a strictly cold-water town, she can, we believe, lay claim to having among her residents the champion temperance man of the state, if not of the entire country. Not only has he never drunk any kind of spiritous or malt liquors, but he has never allowed any tea, coffee, soup or any kind of milk to pass his lips since he was a child. He is a colored man, was born in slavery, and because his father frequently drank more whisky than was good for him, he resolved when a boy to never drink anything but water. And he has religiously kept the resolution. He is a member of the Oil City police force, and his name is Major Franklin—Oil City (Pa.) Blizzard.

Laundry work at home would be much more satisfactory if the right Starch were used. In order to get the desired stiffness, it is usually necessary to use so much starch that the beauty and fineness of the fabric is hidden behind a paste of varying thickness, which not only destroys the appearance, but also affects the wearing quality of the goods. This trouble can be entirely overcome by using Defiance Starch, as it can be applied much more thinly because of its great strength than other makes.

Finances.

"Sammy," said a Germantown mother recently to her youngest-born, "When you divided those seven pieces of candy with your brother did you give him four?"

"No, ma'am," replied Sammy, "I knew they wouldn't come out even, so I ate one before I began to divide."—Harper's Weekly.

To Relieve Pain

Sick Women
 You should know, if you suffer from any of the pains due to womanly trouble, that it is possible to be relieved or cured by the use of Cardui.
 Fifty years, and over, of unexampled success, in the treatment of female ailments, has demonstrated what Cardui can do, for others, since, in that time, it has benefited over a million women.
 "Cardui has cured me," writes Mrs. Chas. Williams, of Willow Shoals, Ky., "and I praise it above all other medicines. "Before I began to use it, I was almost dead. I had suffered for five (5) years, with female trouble, experienced deathly pains, every month. I had doctors from different places, but none of them did me any good, and I ran down to 97 pounds.
 "At last I wrote you for advice and began to take Cardui. In three months I was like a new woman. I continued to improve and now I am well, weigh 67 1-2 pounds more, than before I began, and am able to do my work." Try it.
