To quiet the title of lot 8 of block 6 of the original town of Sargent, Custer county Nebraska, to cancel a certain deed wherein this plaintiff is grantor and you are grantee, plaintiff alleging that the deed was at no time delivered to you but that you have fraudulently procured the said deed, from the one holding it in escrow and fraudulently procured the recording of the same without the knowledge or consent of the plaintiff. That there was no consideration given for the said property, that the plaintiff is the absolute owner of the property.
Plaintiff prays for a decree quieting the title in him to said property against the claims of the defendant and all persons claiming by through or under him, that the deed be cancelled and you be notified, and for other and further equitable relief.
