Herd Headed By  
CRIMSON SCOTT No. 717035.  
J. G. BRENZER, Breeder of Pure Scotch and Scotch Topped Short Horn Cattle. My herd numbers 40 cows. Will compare in breeding and quality with any west of Chicago. My experience has taught me that to give good satisfaction, breeding cattle must be raised in this attitude. I expect to raise them here the equal of anything raised in the U. S. I now have 22 bulls suitable for this and next year's service. My cows weigh from 1400 to 2000 pounds. Come and see them.
